

The Petals of the Egoic Lotus

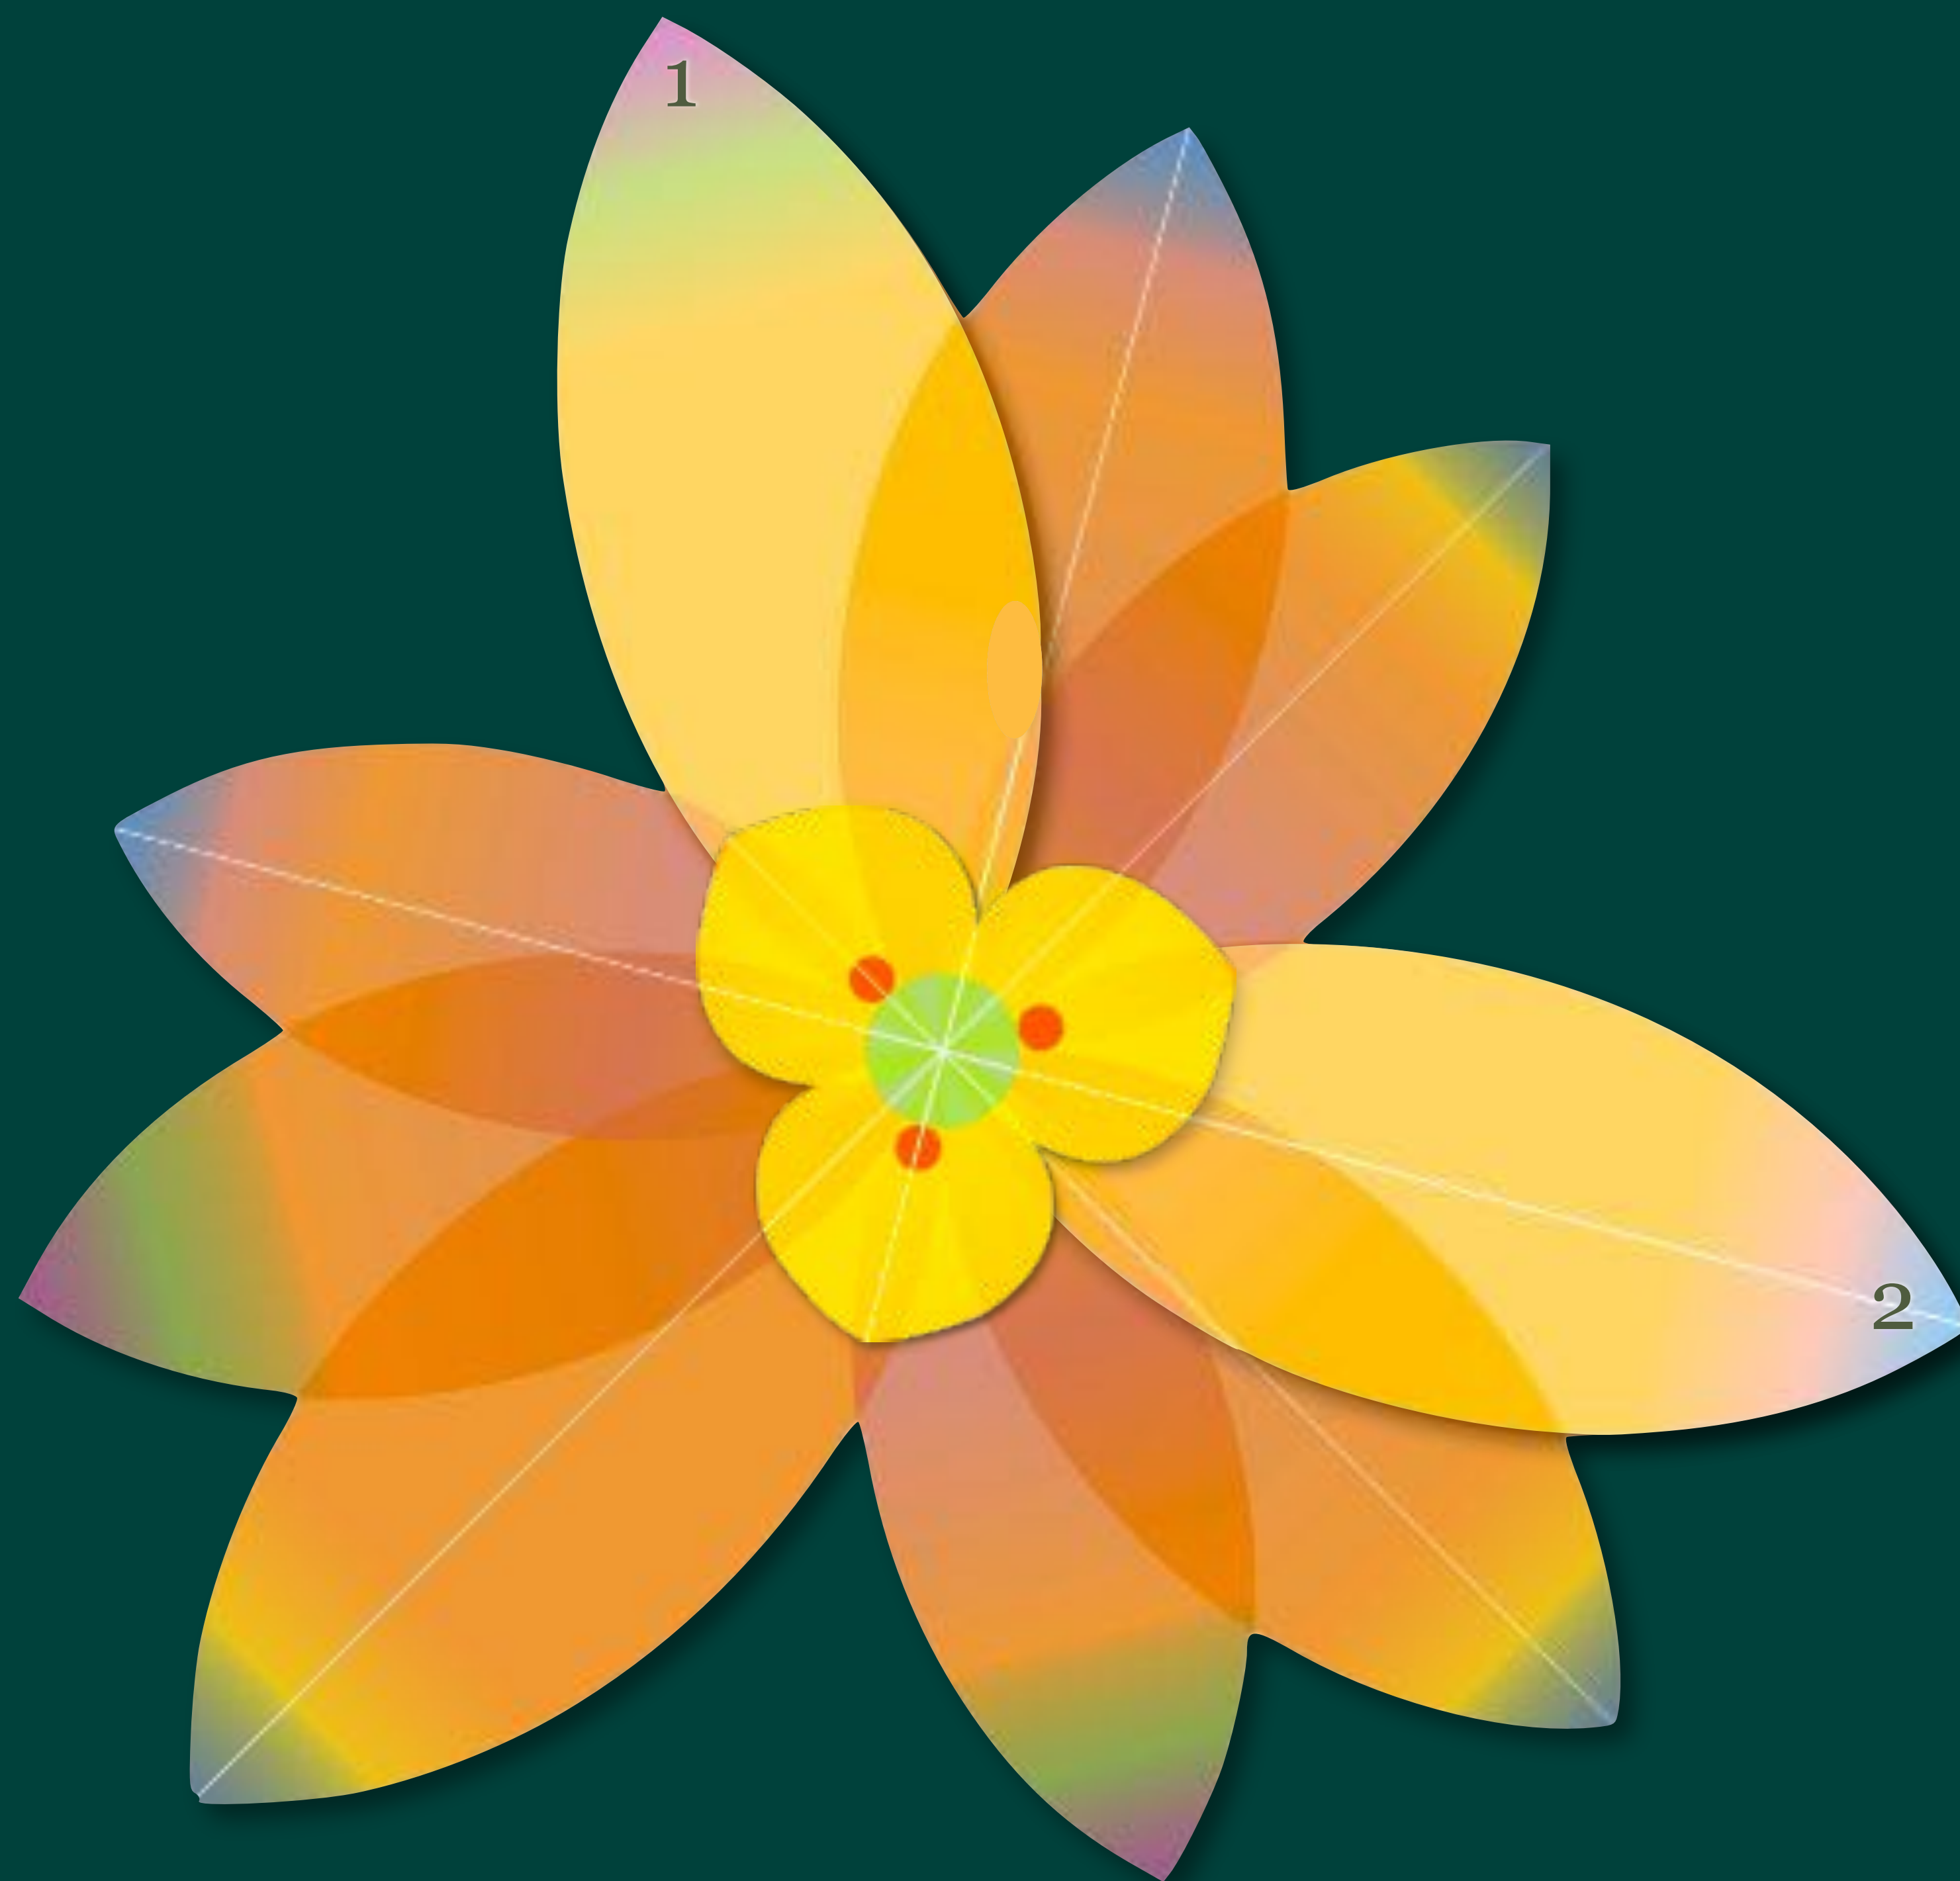

The Brahma aspect, that in which the Not-Self or material aspect is apparent and predominant. This is the first tier of petals. This covers the sub-human stages, and the first three cycles of the Personality Life:

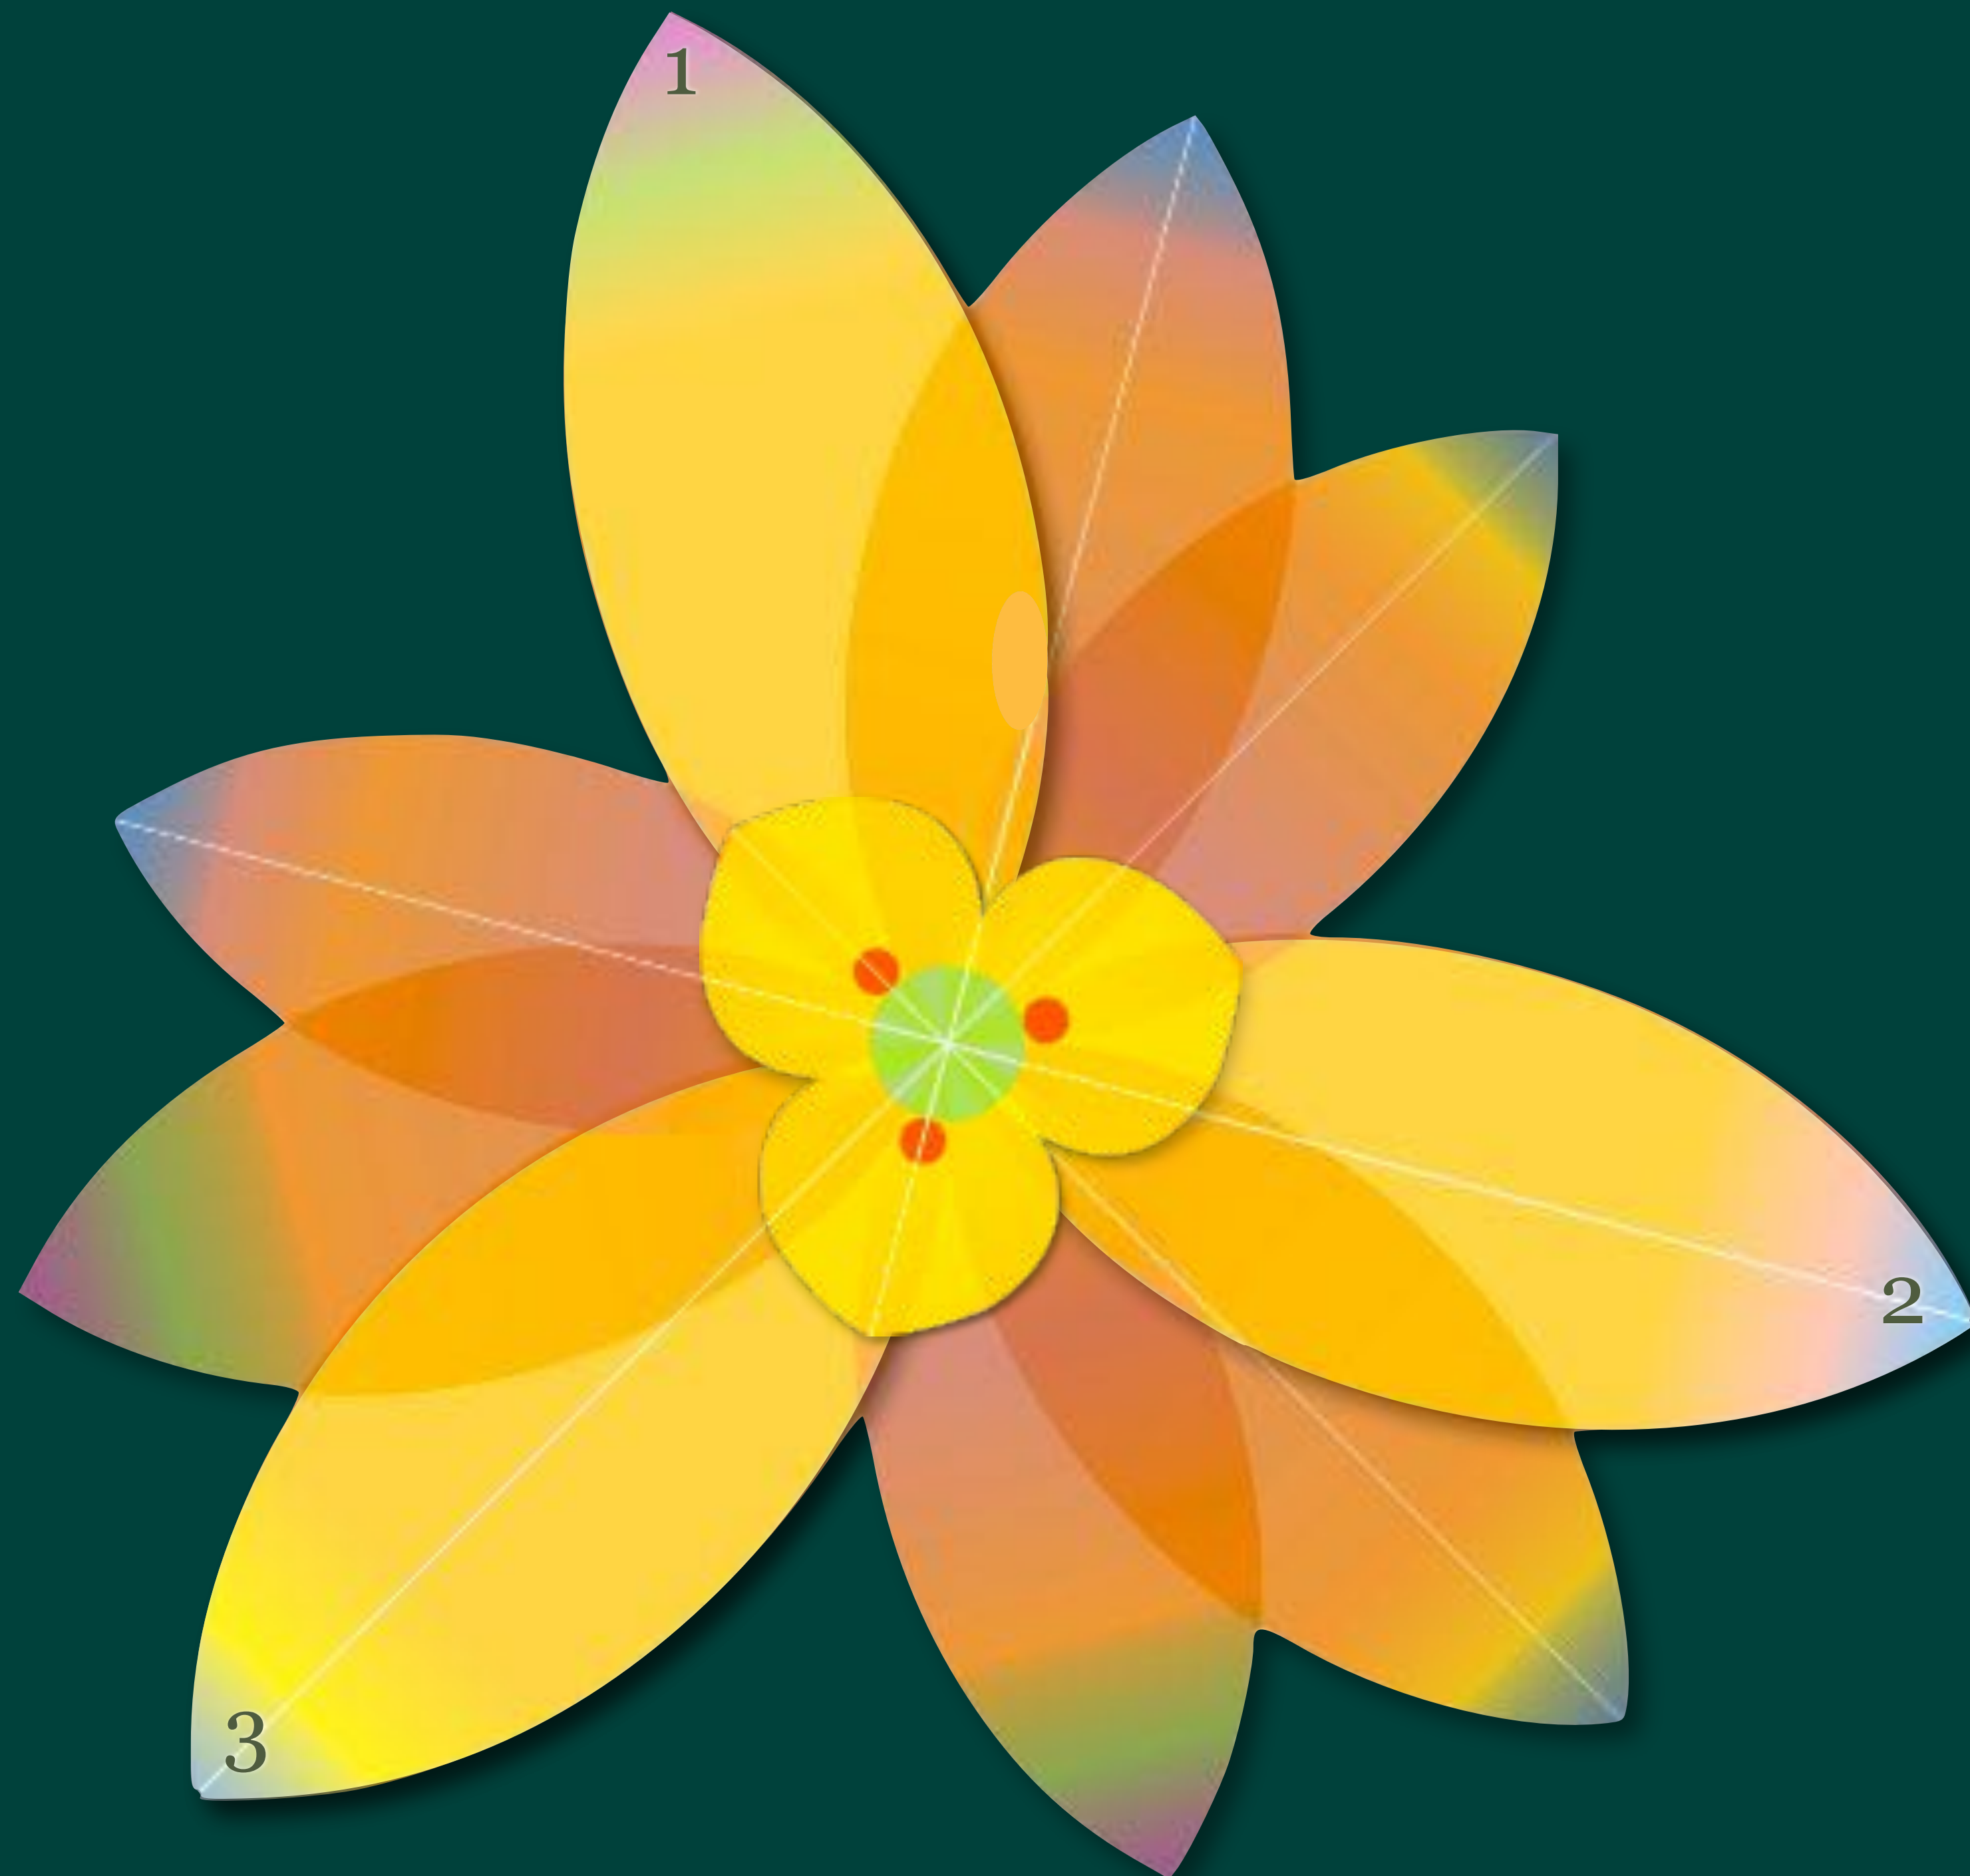

The Brahma aspect, that in which the Not-Self or material aspect is apparent and predominant. This is the first tier of petals. This covers the sub-human stages, and the first three cycles of the Personality Life:

a. *First cycle*.....savage state. This correlates with the first or knowledge petal of the knowledge tier of petals.

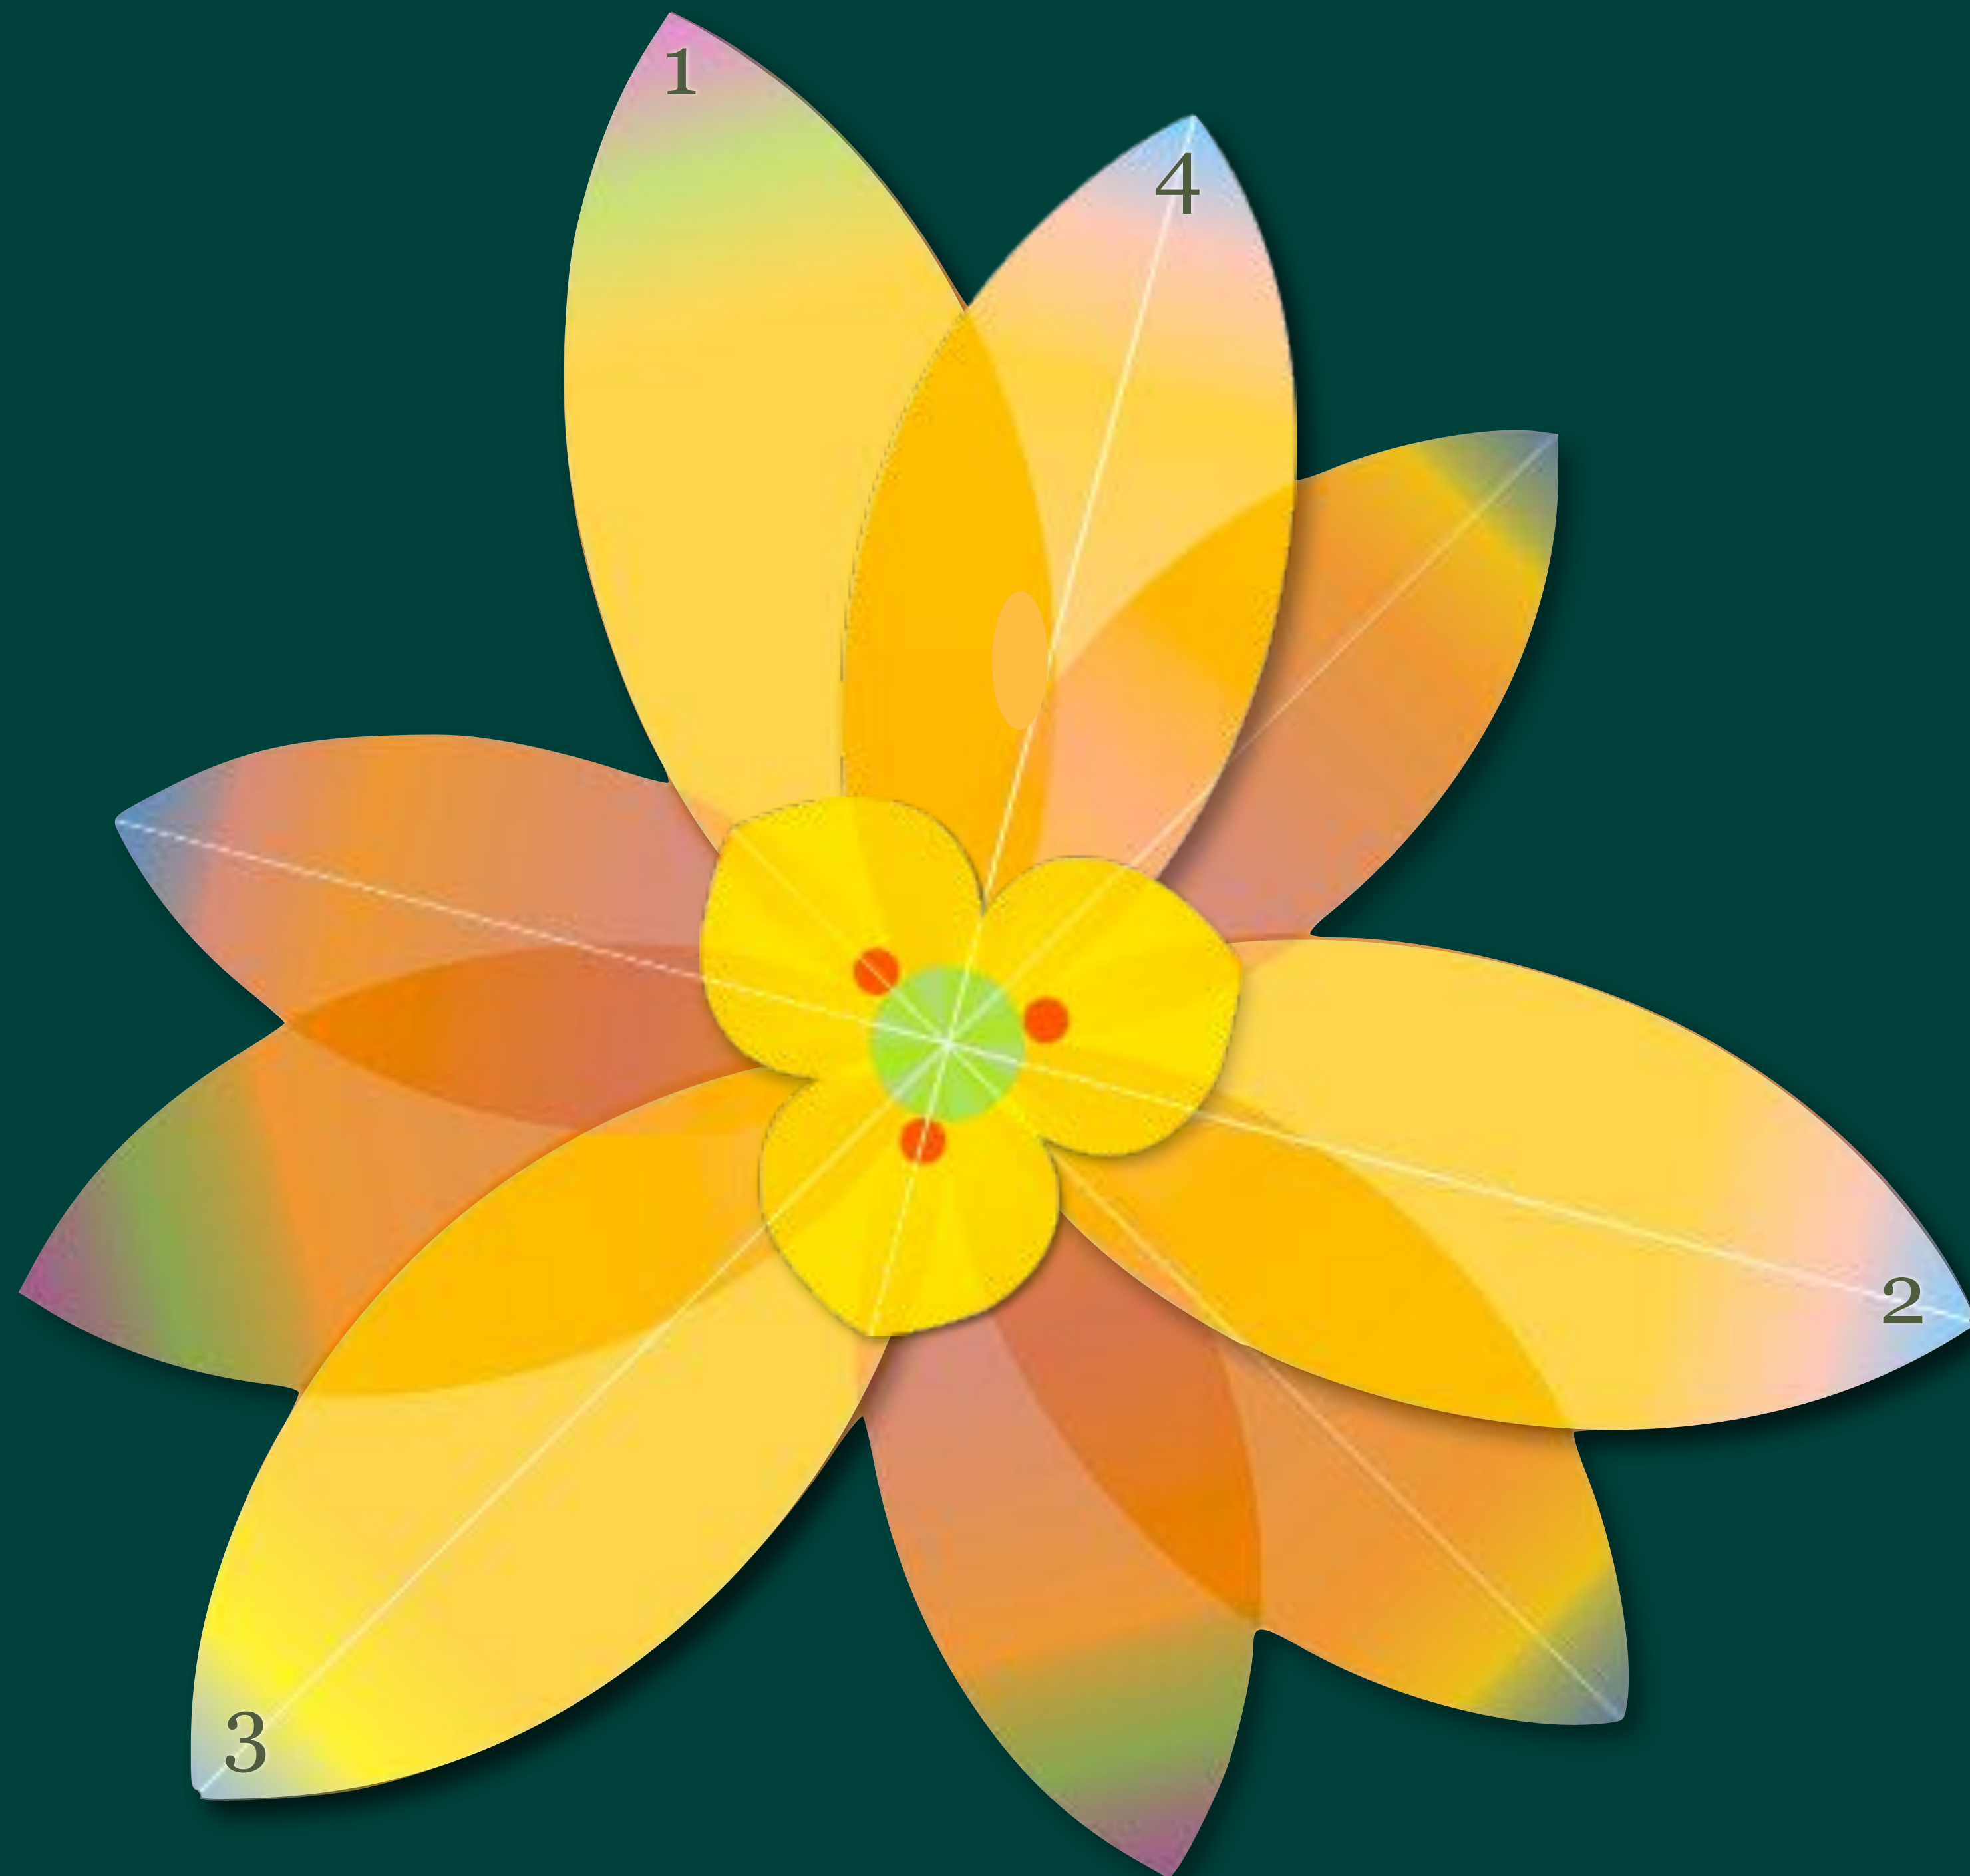

The Brahma aspect, that in which the Not-Self or material aspect is apparent and predominant. This is the first tier of petals. This covers the sub-human stages, and the first three cycles of the Personality Life:

- a. *First cycle.....savage state.* This correlates with the first or knowledge petal of the knowledge tier of petals.
- b. *Second cycle.....average man.* This correlates with the second or love petal of the knowledge tier of petals, during which desire and personal love are developed.

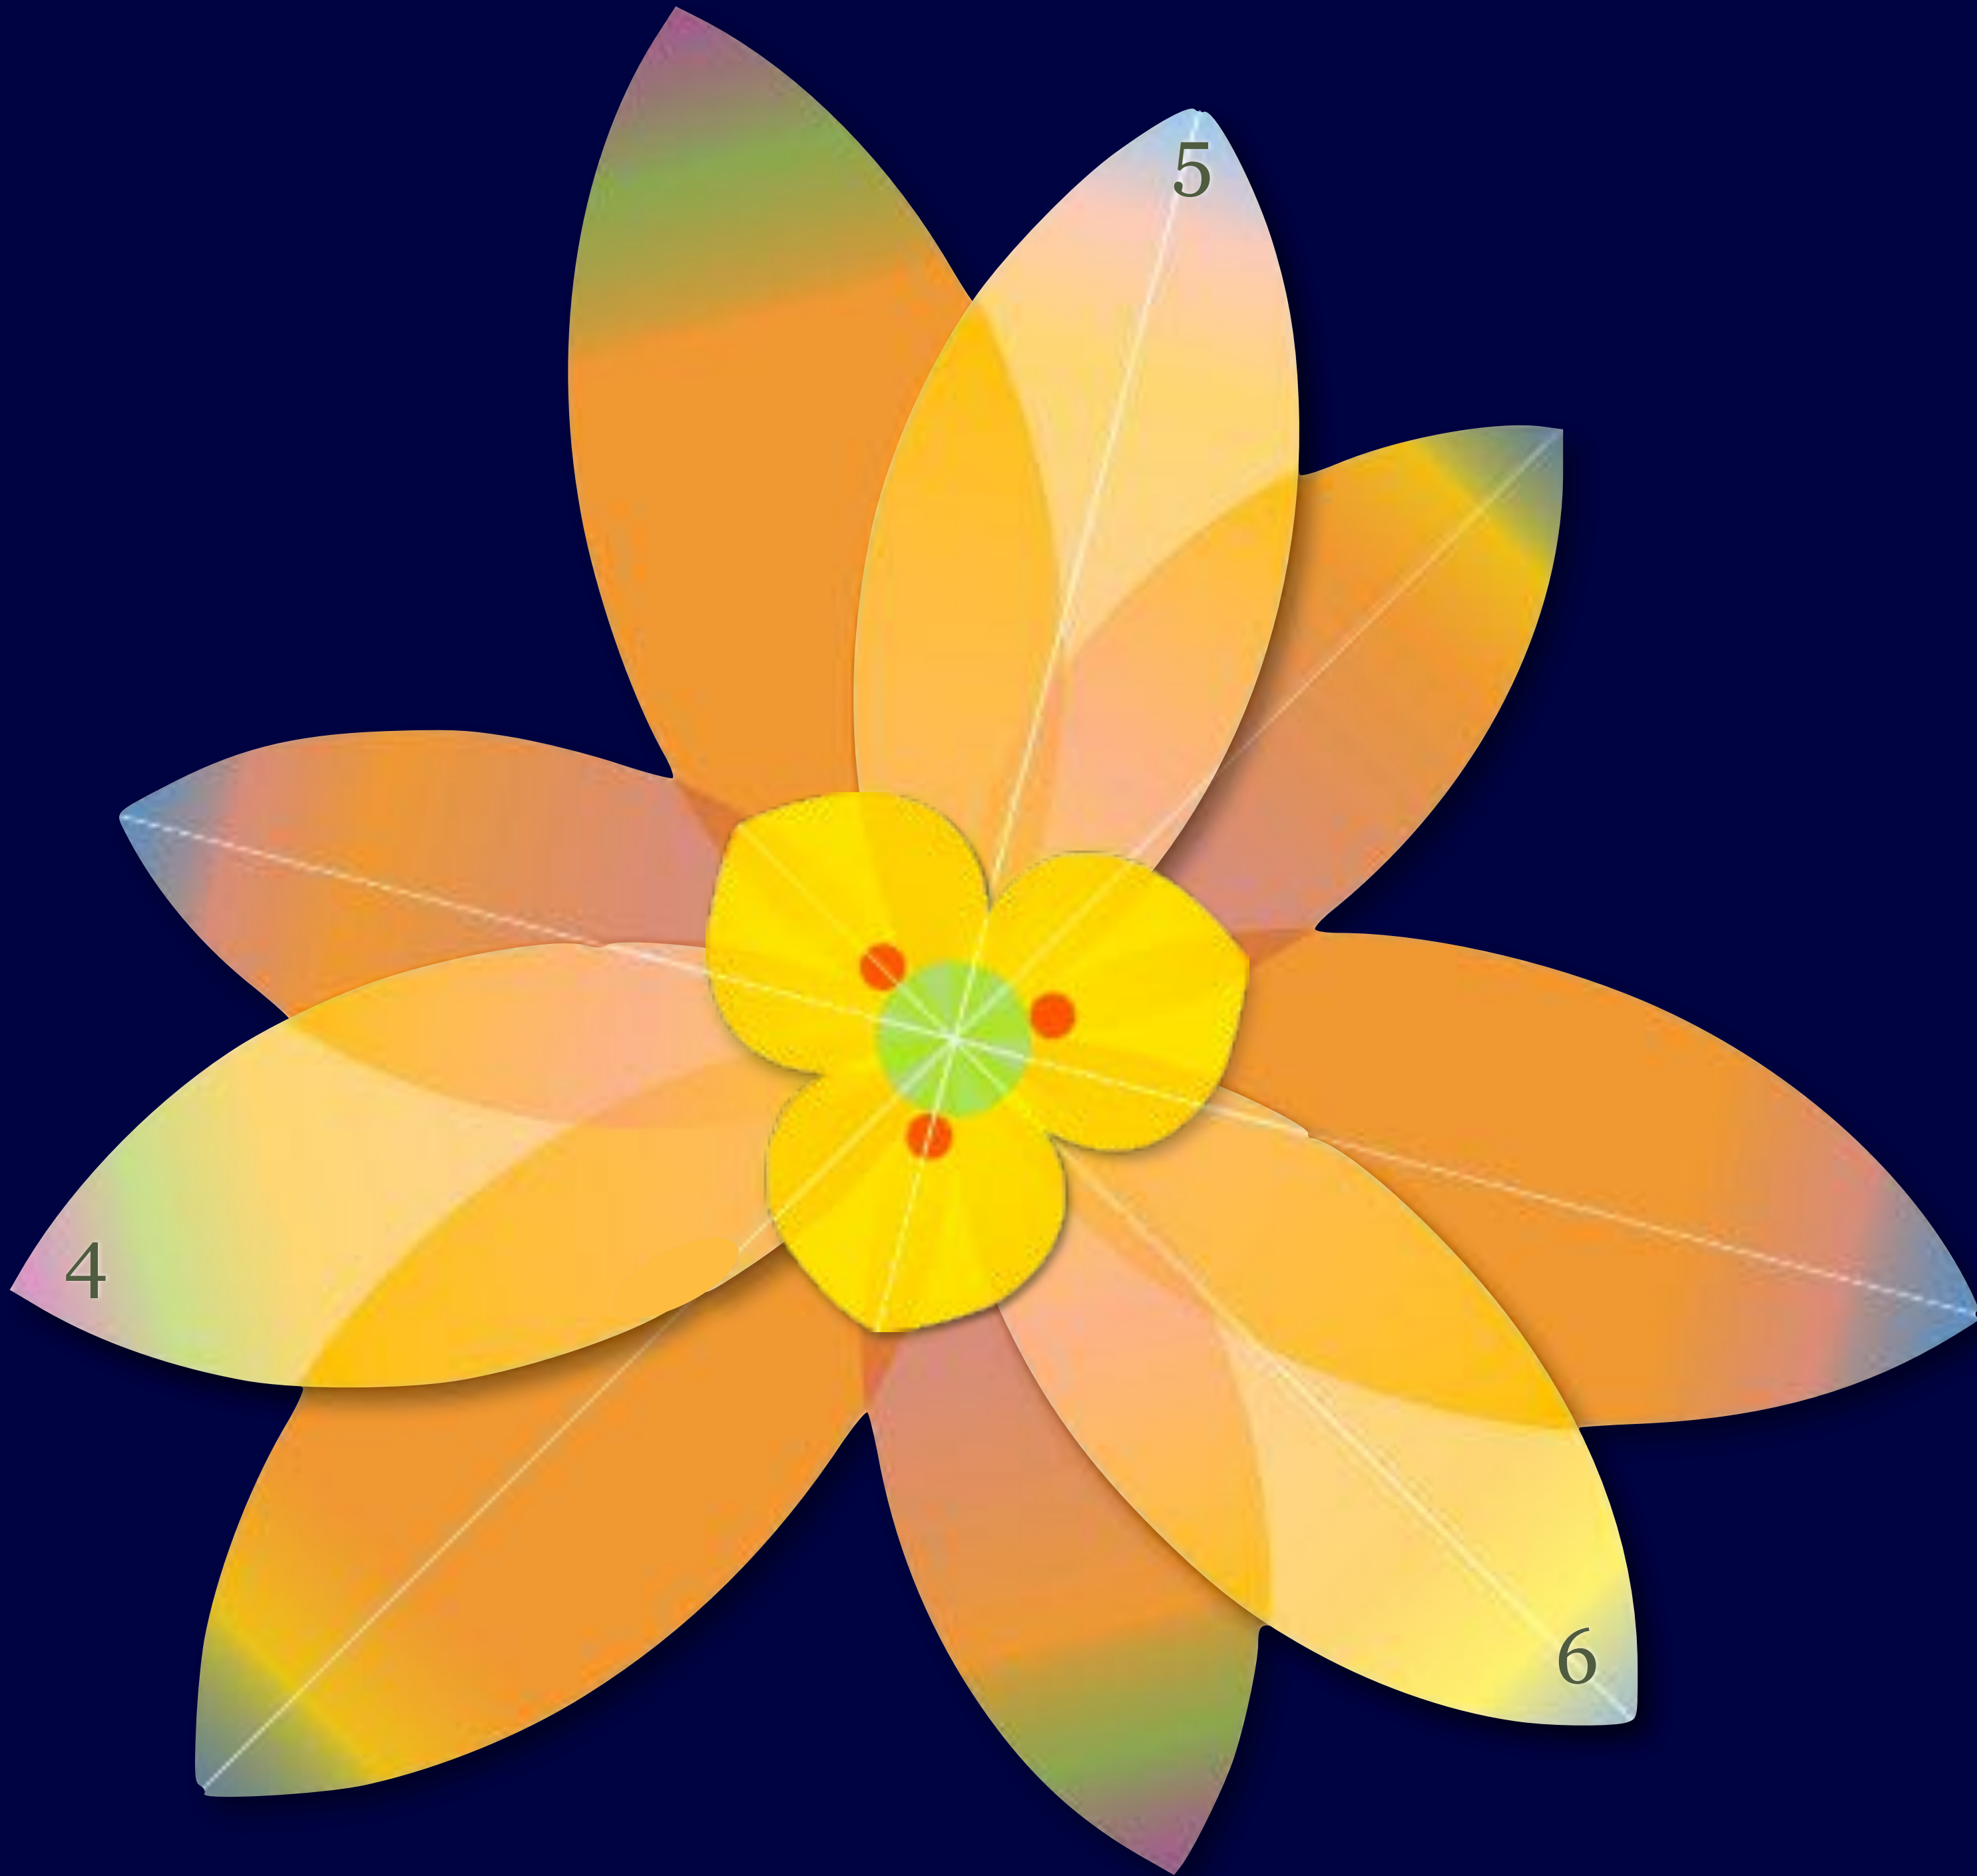

The Brahma aspect, that in which the Not-Self or material aspect is apparent and predominant. This is the first tier of petals. This covers the sub-human stages, and the first three cycles of the Personality Life:

- a. *First cycle.....savage state.* This correlates with the first or knowledge petal of the knowledge tier of petals.
- b. *Second cycle.....average man.* This correlates with the second or love petal of the knowledge tier of petals, during which desire and personal love are developed.
- c. *Third cycle.....intellectual successful man.* This correlates with the 3rd petal of the knowledge tier of petals,

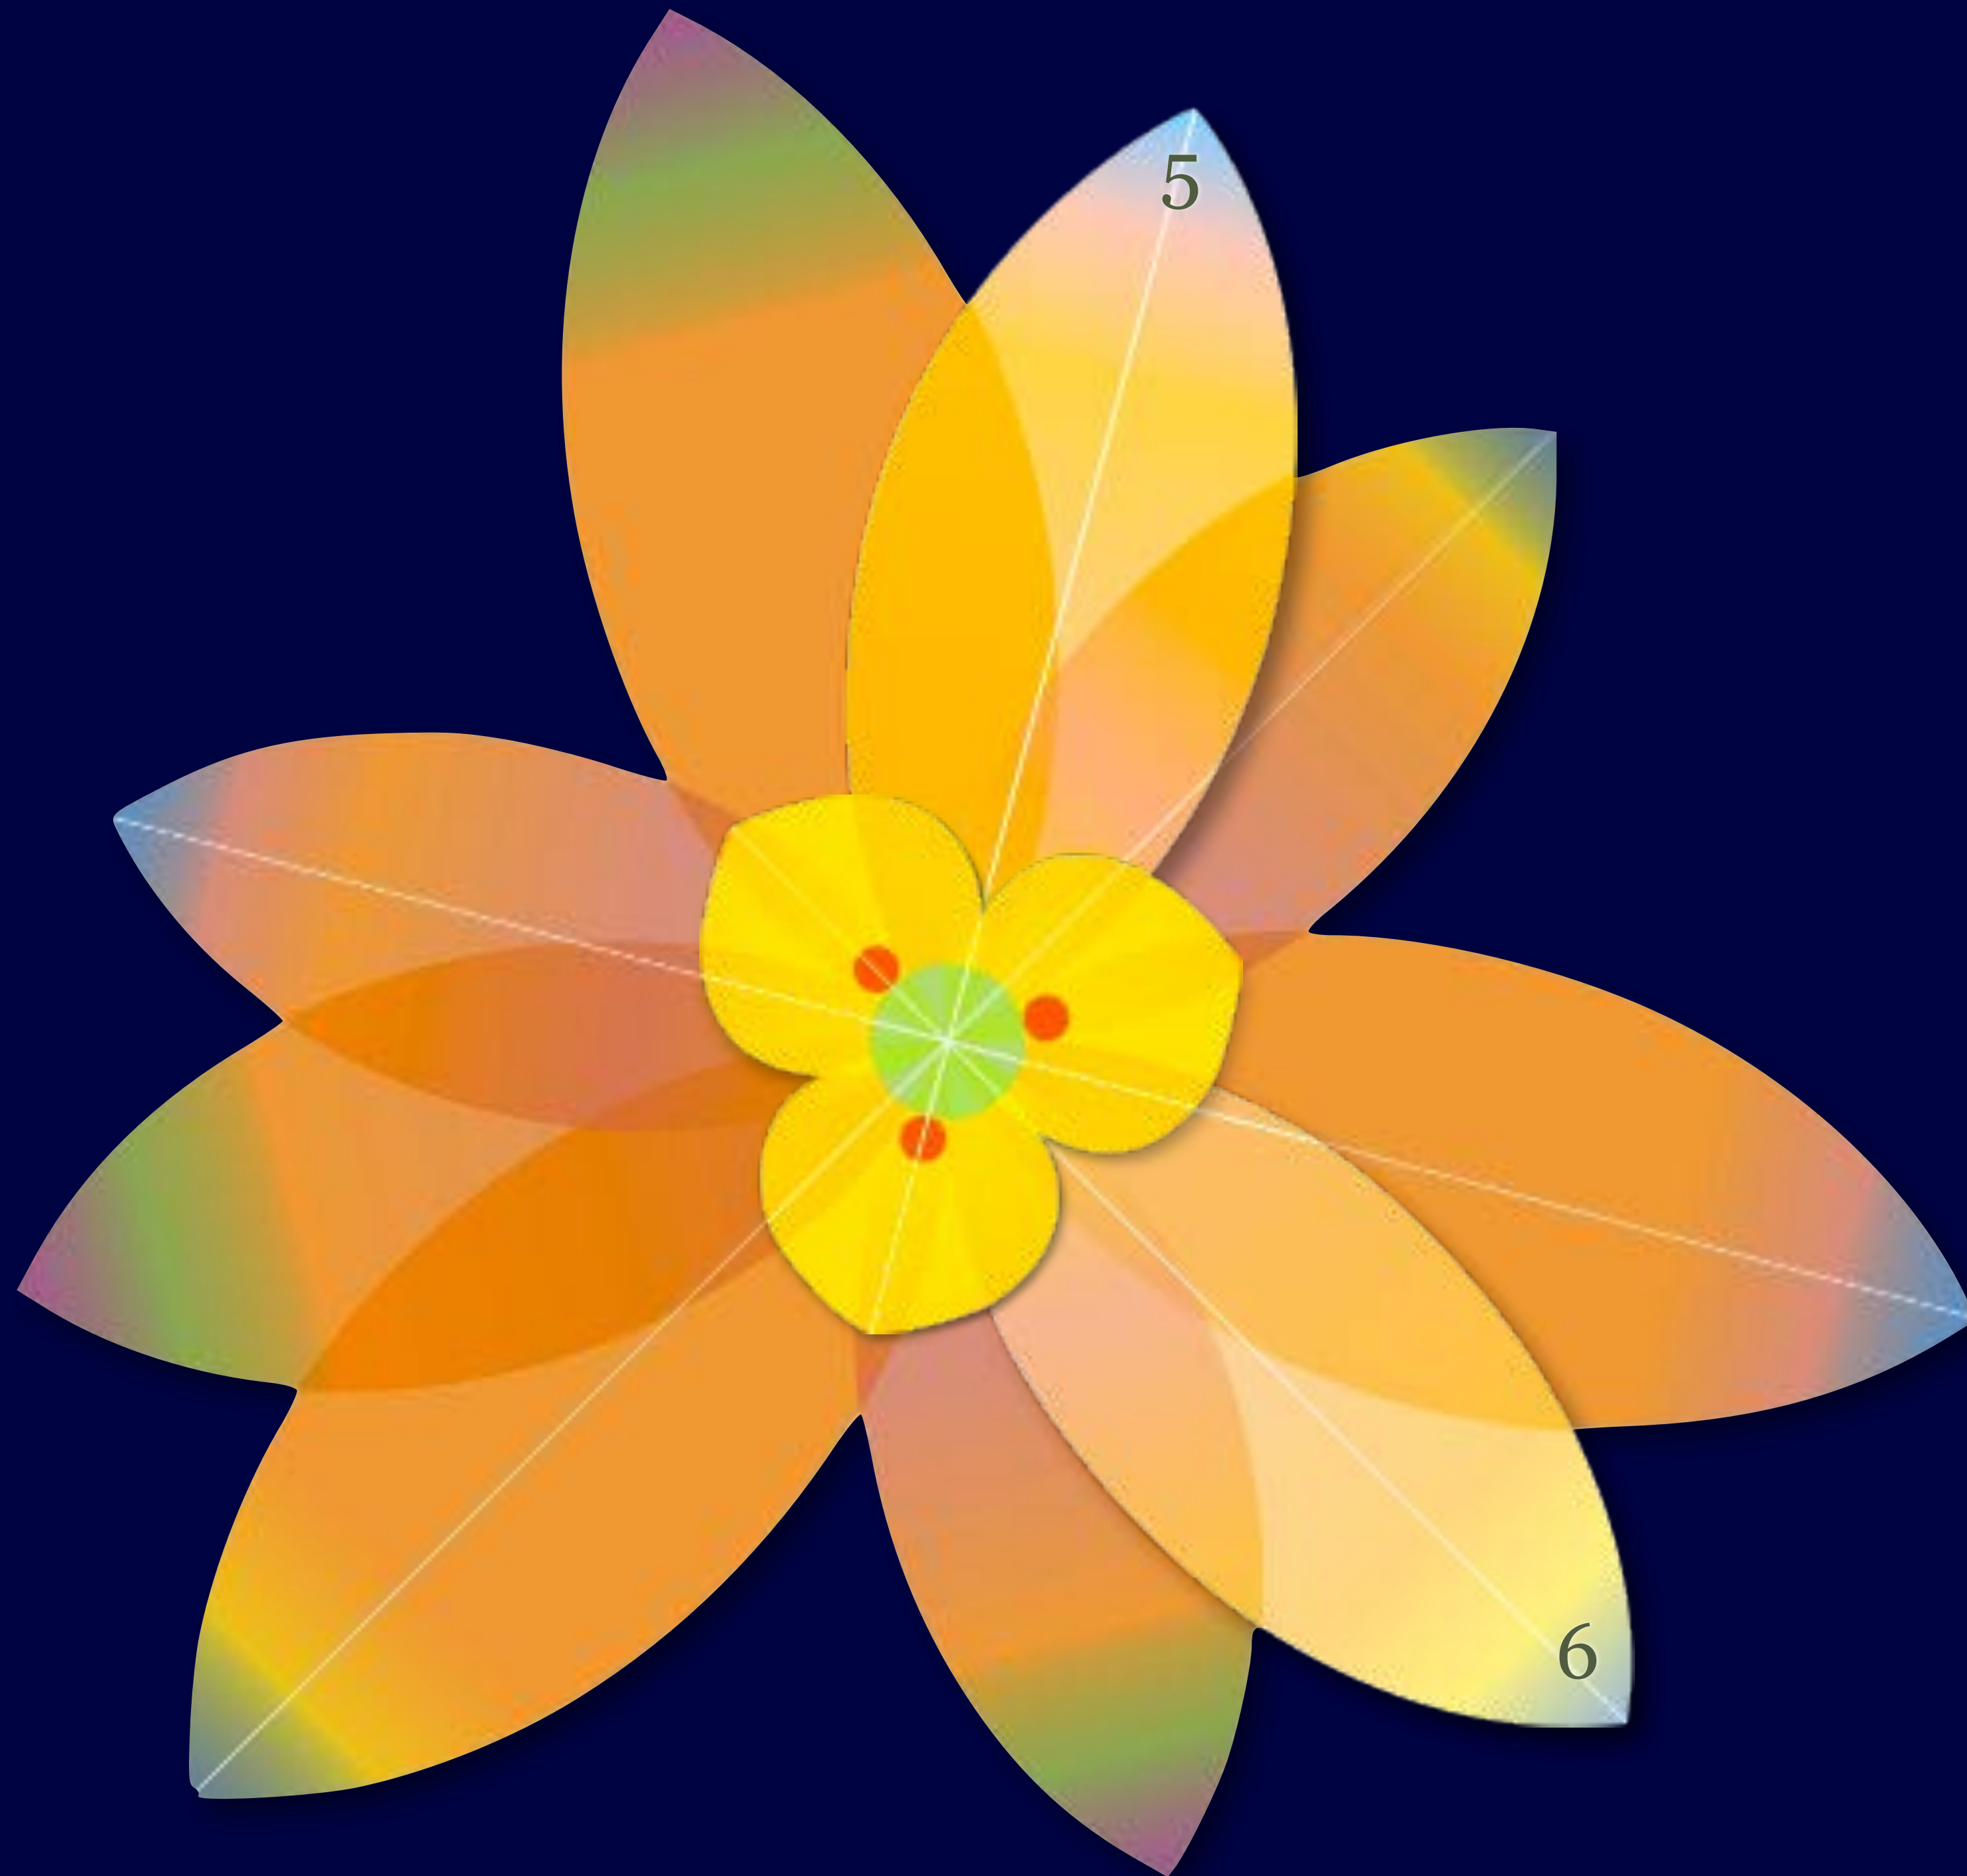

The Brahma aspect, that in which the Not-Self or material aspect is apparent and predominant. This is the first tier of petals. This covers the sub-human stages, and the first three cycles of the Personality Life:

- a. *First cycle.....savage state.* This correlates with the first or knowledge petal of the knowledge tier of petals.
- b. *Second cycle.....average man.* This correlates with the second or love petal of the knowledge tier of petals, during which desire and personal love are developed.
- c. *Third cycle.....intellectual successful man.* This correlates with the 3rd petal of the knowledge tier of petals, and the 4th petal, which is the knowledge petal of the 2nd or love tier of petals,

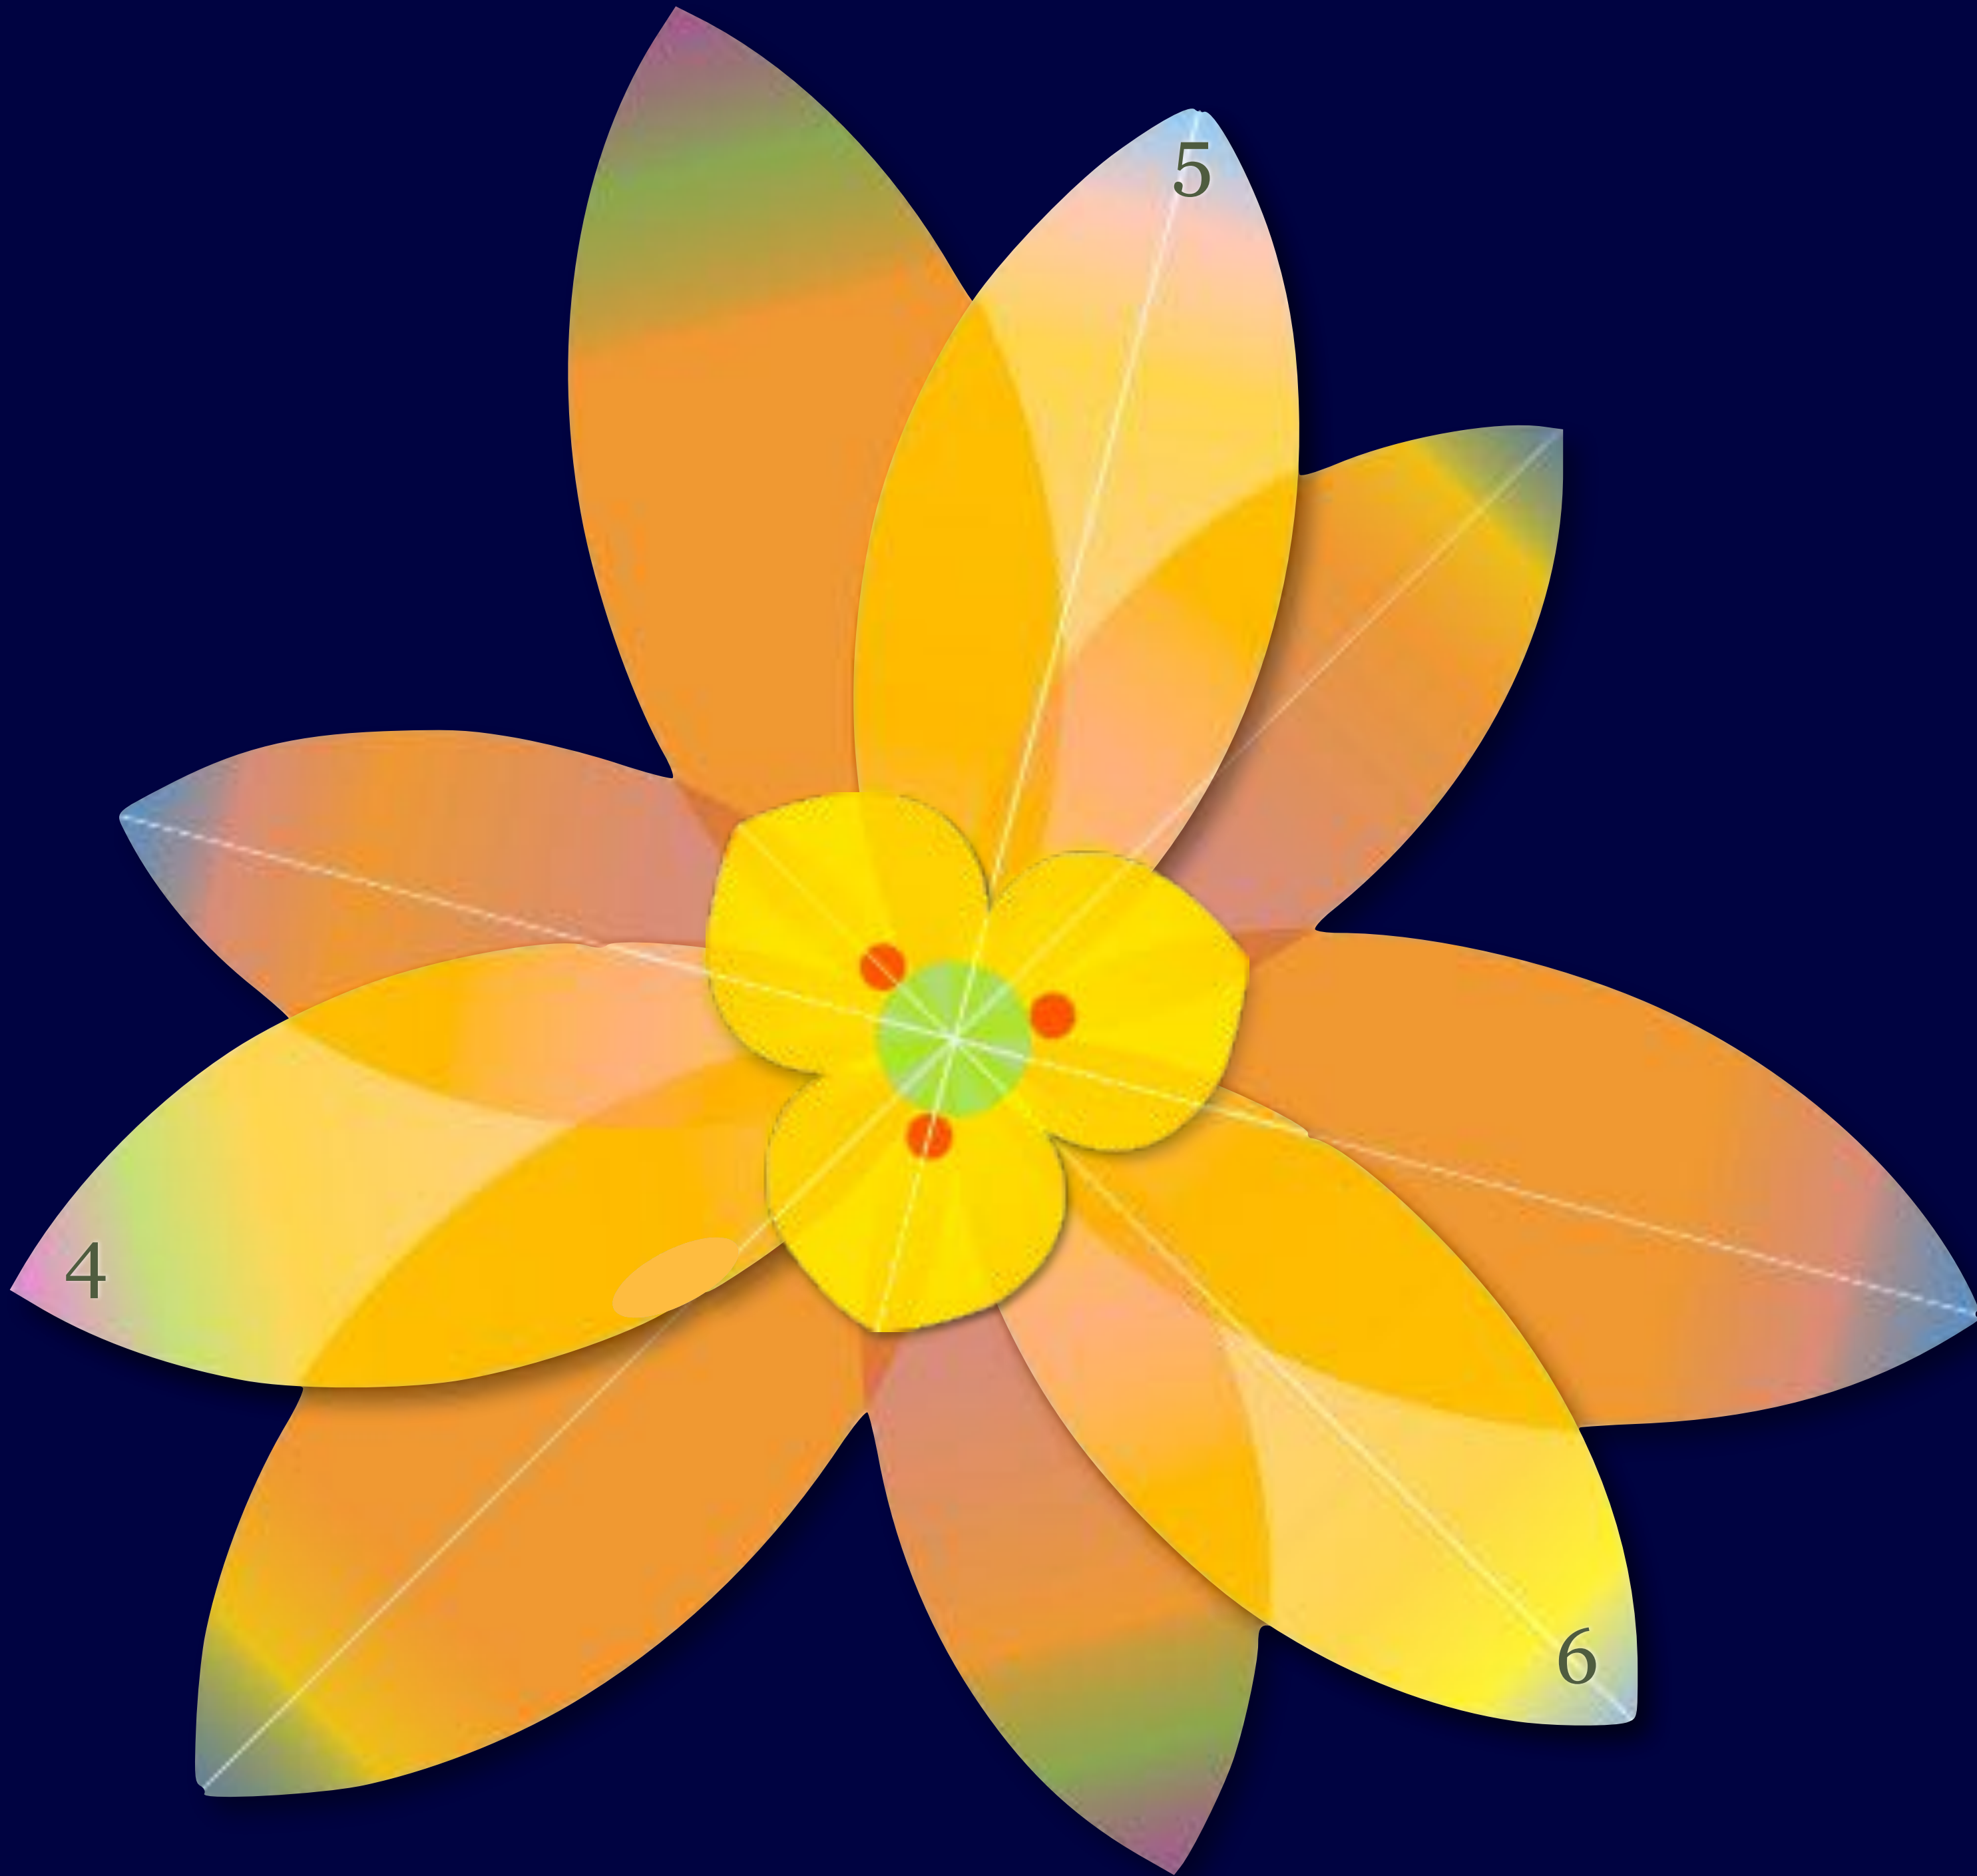

The Vishnu aspect, that in which the love-wisdom aspect gradually predominates and emerges through the medium of the Brahma aspect. It covers the final two stages of the human personality life, and that period of egoic growth which embraces the final two Initiations:

The Vishnu aspect, that in which the love-wisdom aspect gradually predominates and emerges through the medium of the Brahma aspect It covers the final two stages of the human personality life, and that period of egoic growth which embraces the final two Initiations:

a. First cycle.....The Path of Probation.

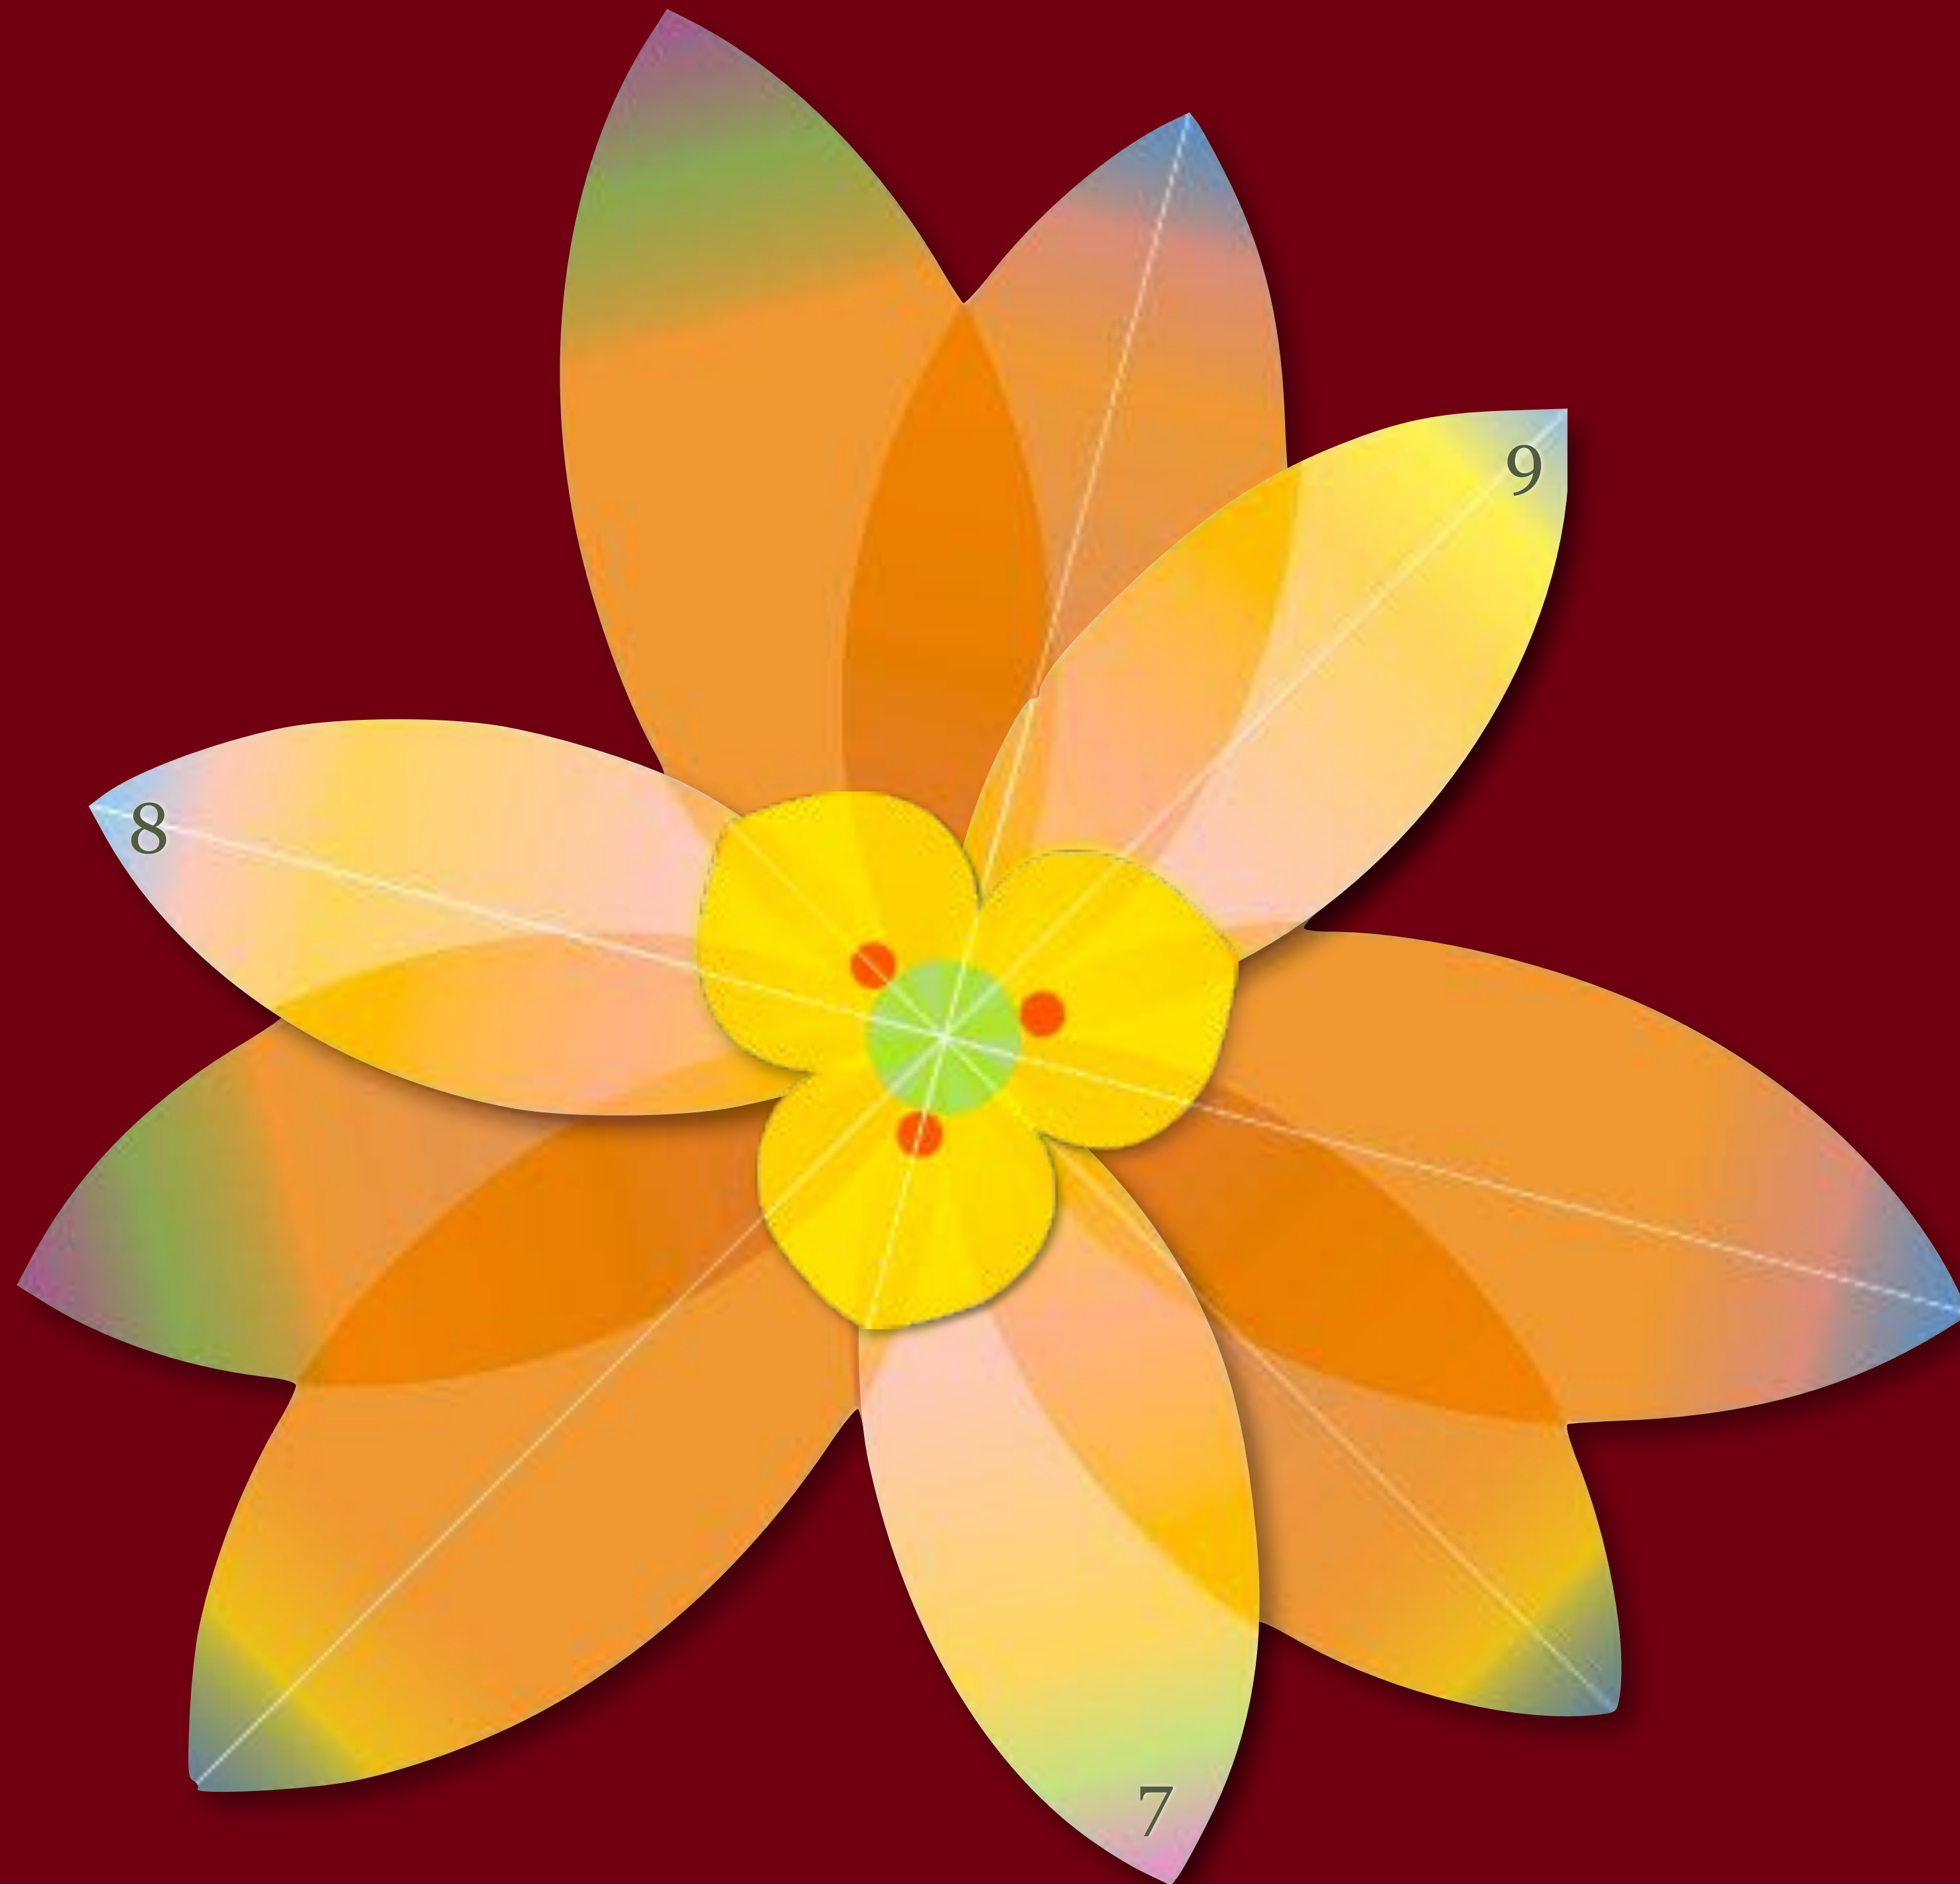

This correlates with the 5th and 6th petals– the love and sacrifice petals of the 2nd tier.

The Vishnu aspect, that in which the love-wisdom aspect gradually predominates and emerges through the medium of the Brahma aspect It covers the final two stages of the human personality life, and that period of egoic growth which embraces the final two Initiations:

a. First cycle.....The Path of Probation.

This correlates with the 5th and 6th petals– the love and sacrifice petals of the 2nd tier.

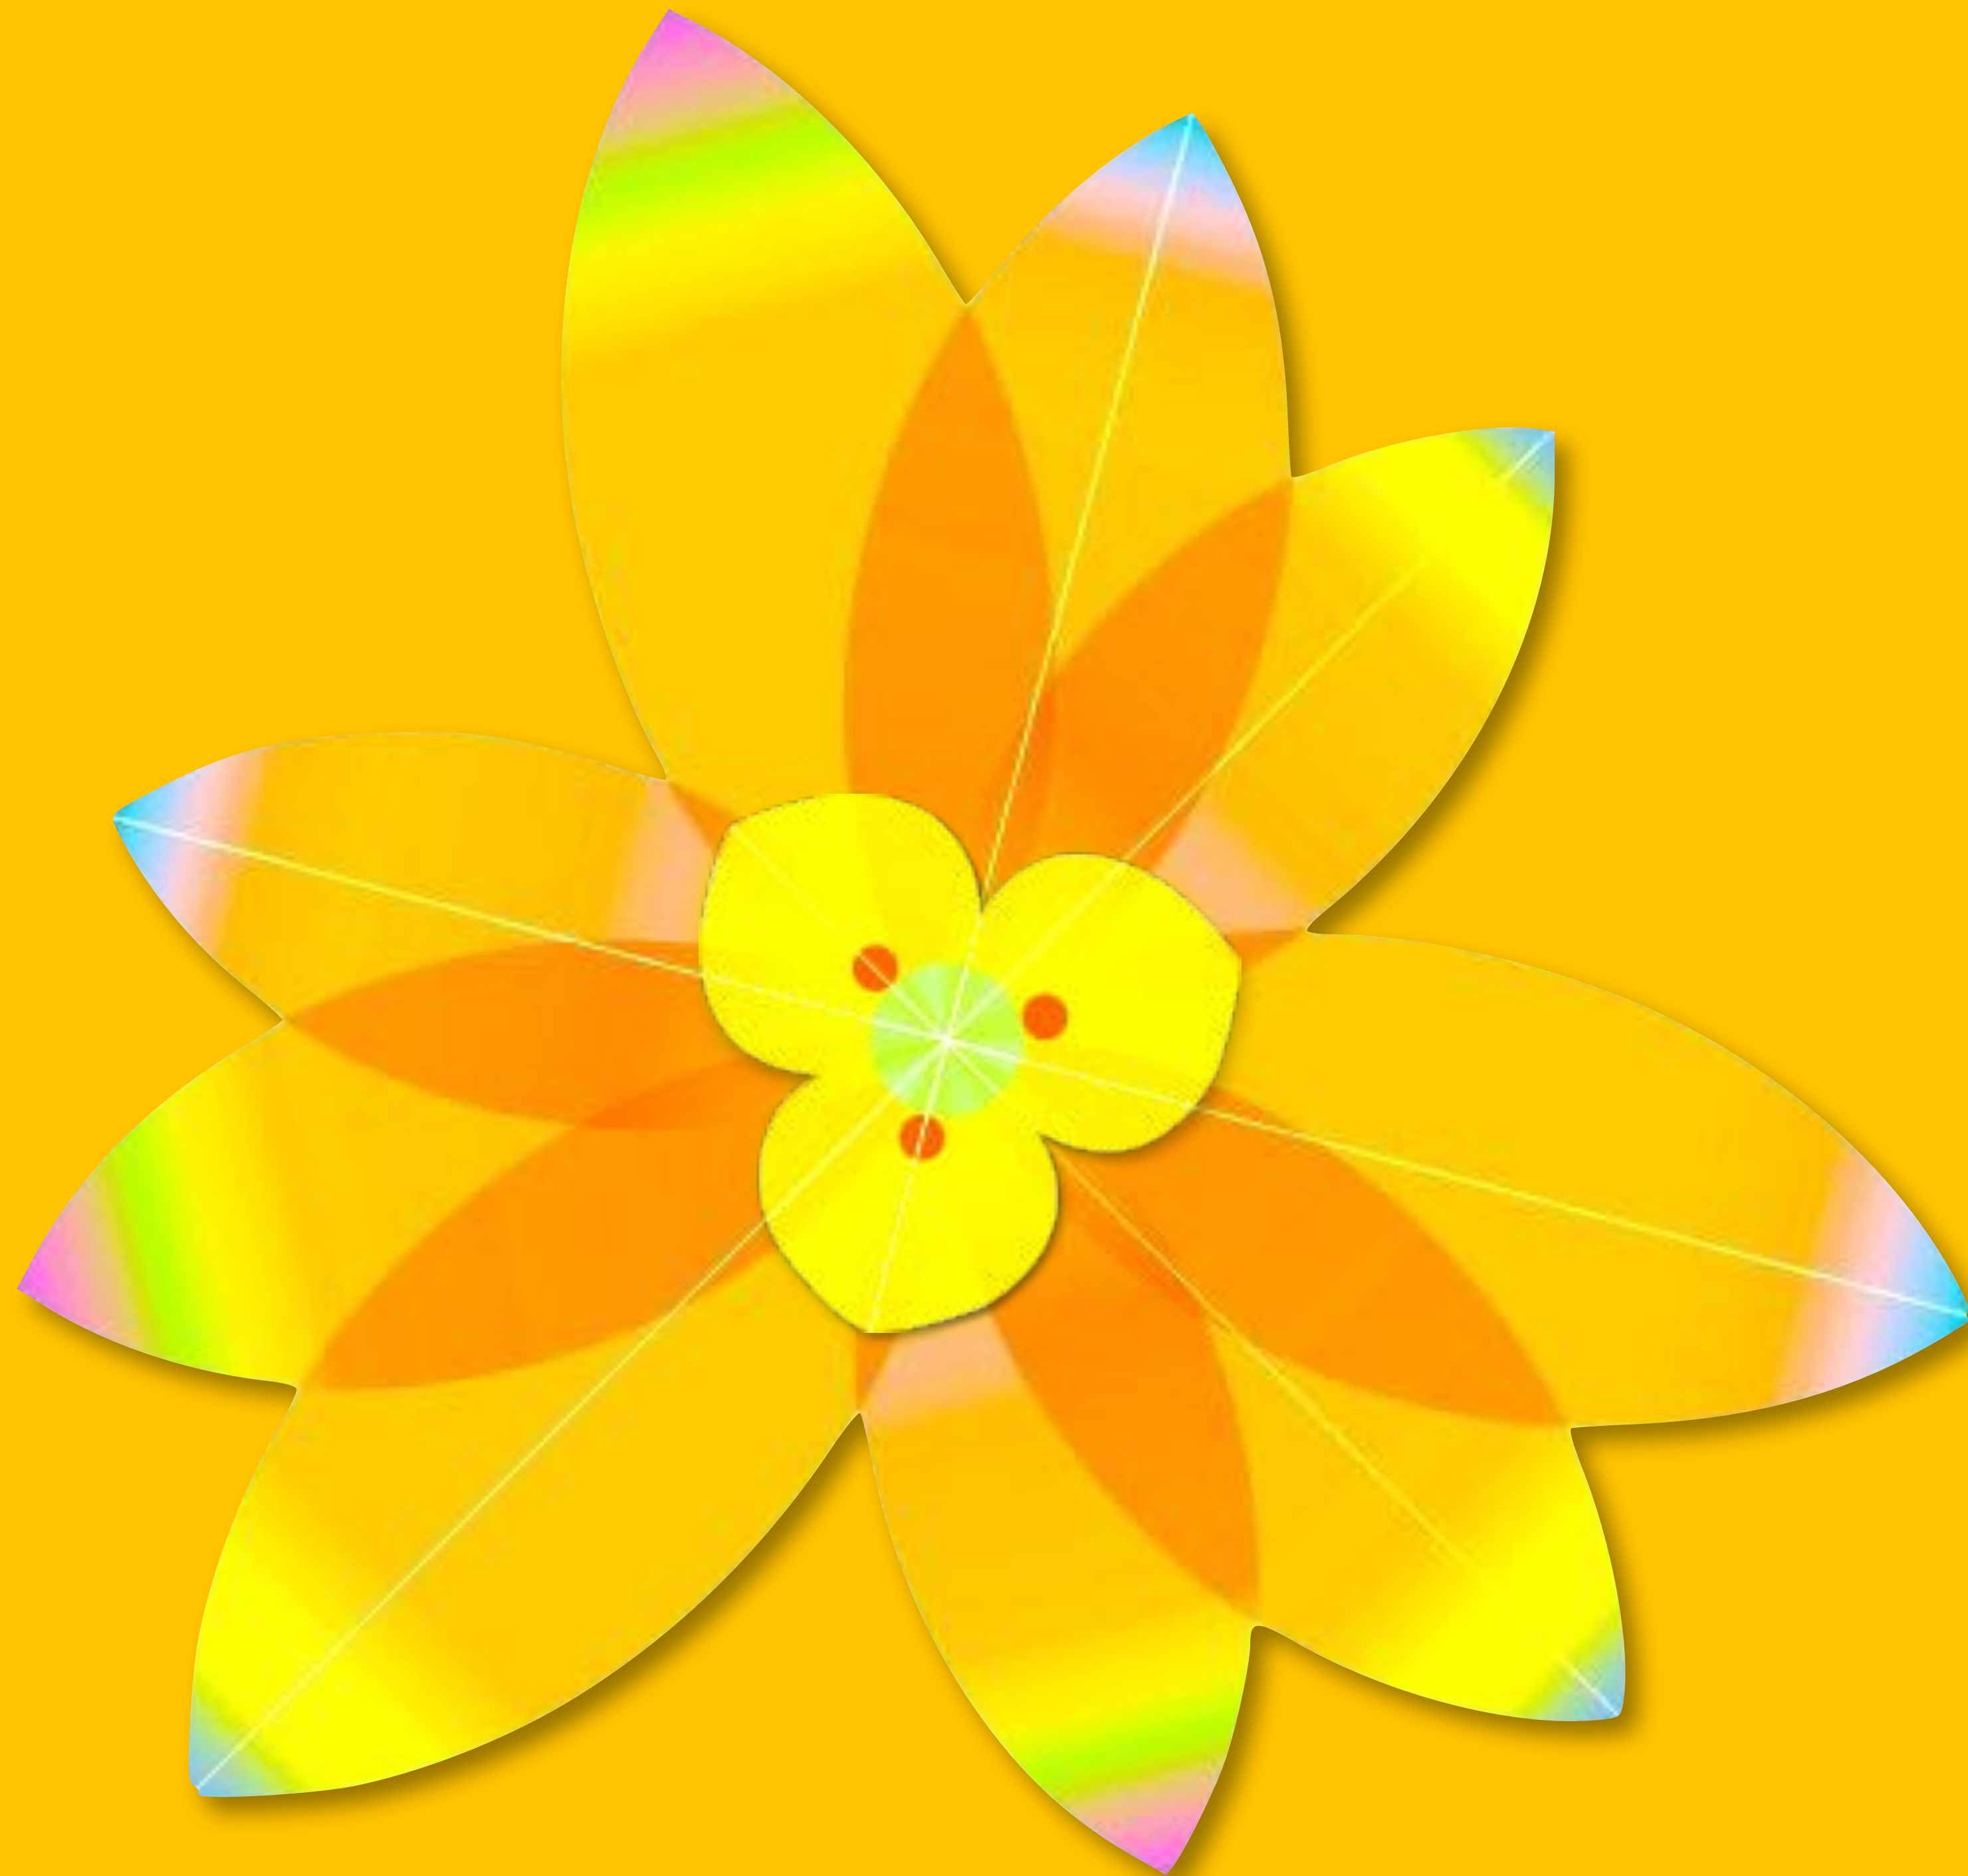

The Vishnu aspect, that in which the love-wisdom aspect gradually predominates and emerges through the medium of the Brahma aspect It covers the final two stages of the human personality life, and that period of egoic growth which embraces the final two Initiations:

a. *First cycle.....The Path of Probation.*

This correlates with the 5th and 6th petals– the love and sacrifice petals of the 2nd tier.

b. *Second cycle.....The Path of Initiation. (till the third Initiation)*– correlates with petals 7, 8, and 9– thus encompassing the sacrifice tier of petals.

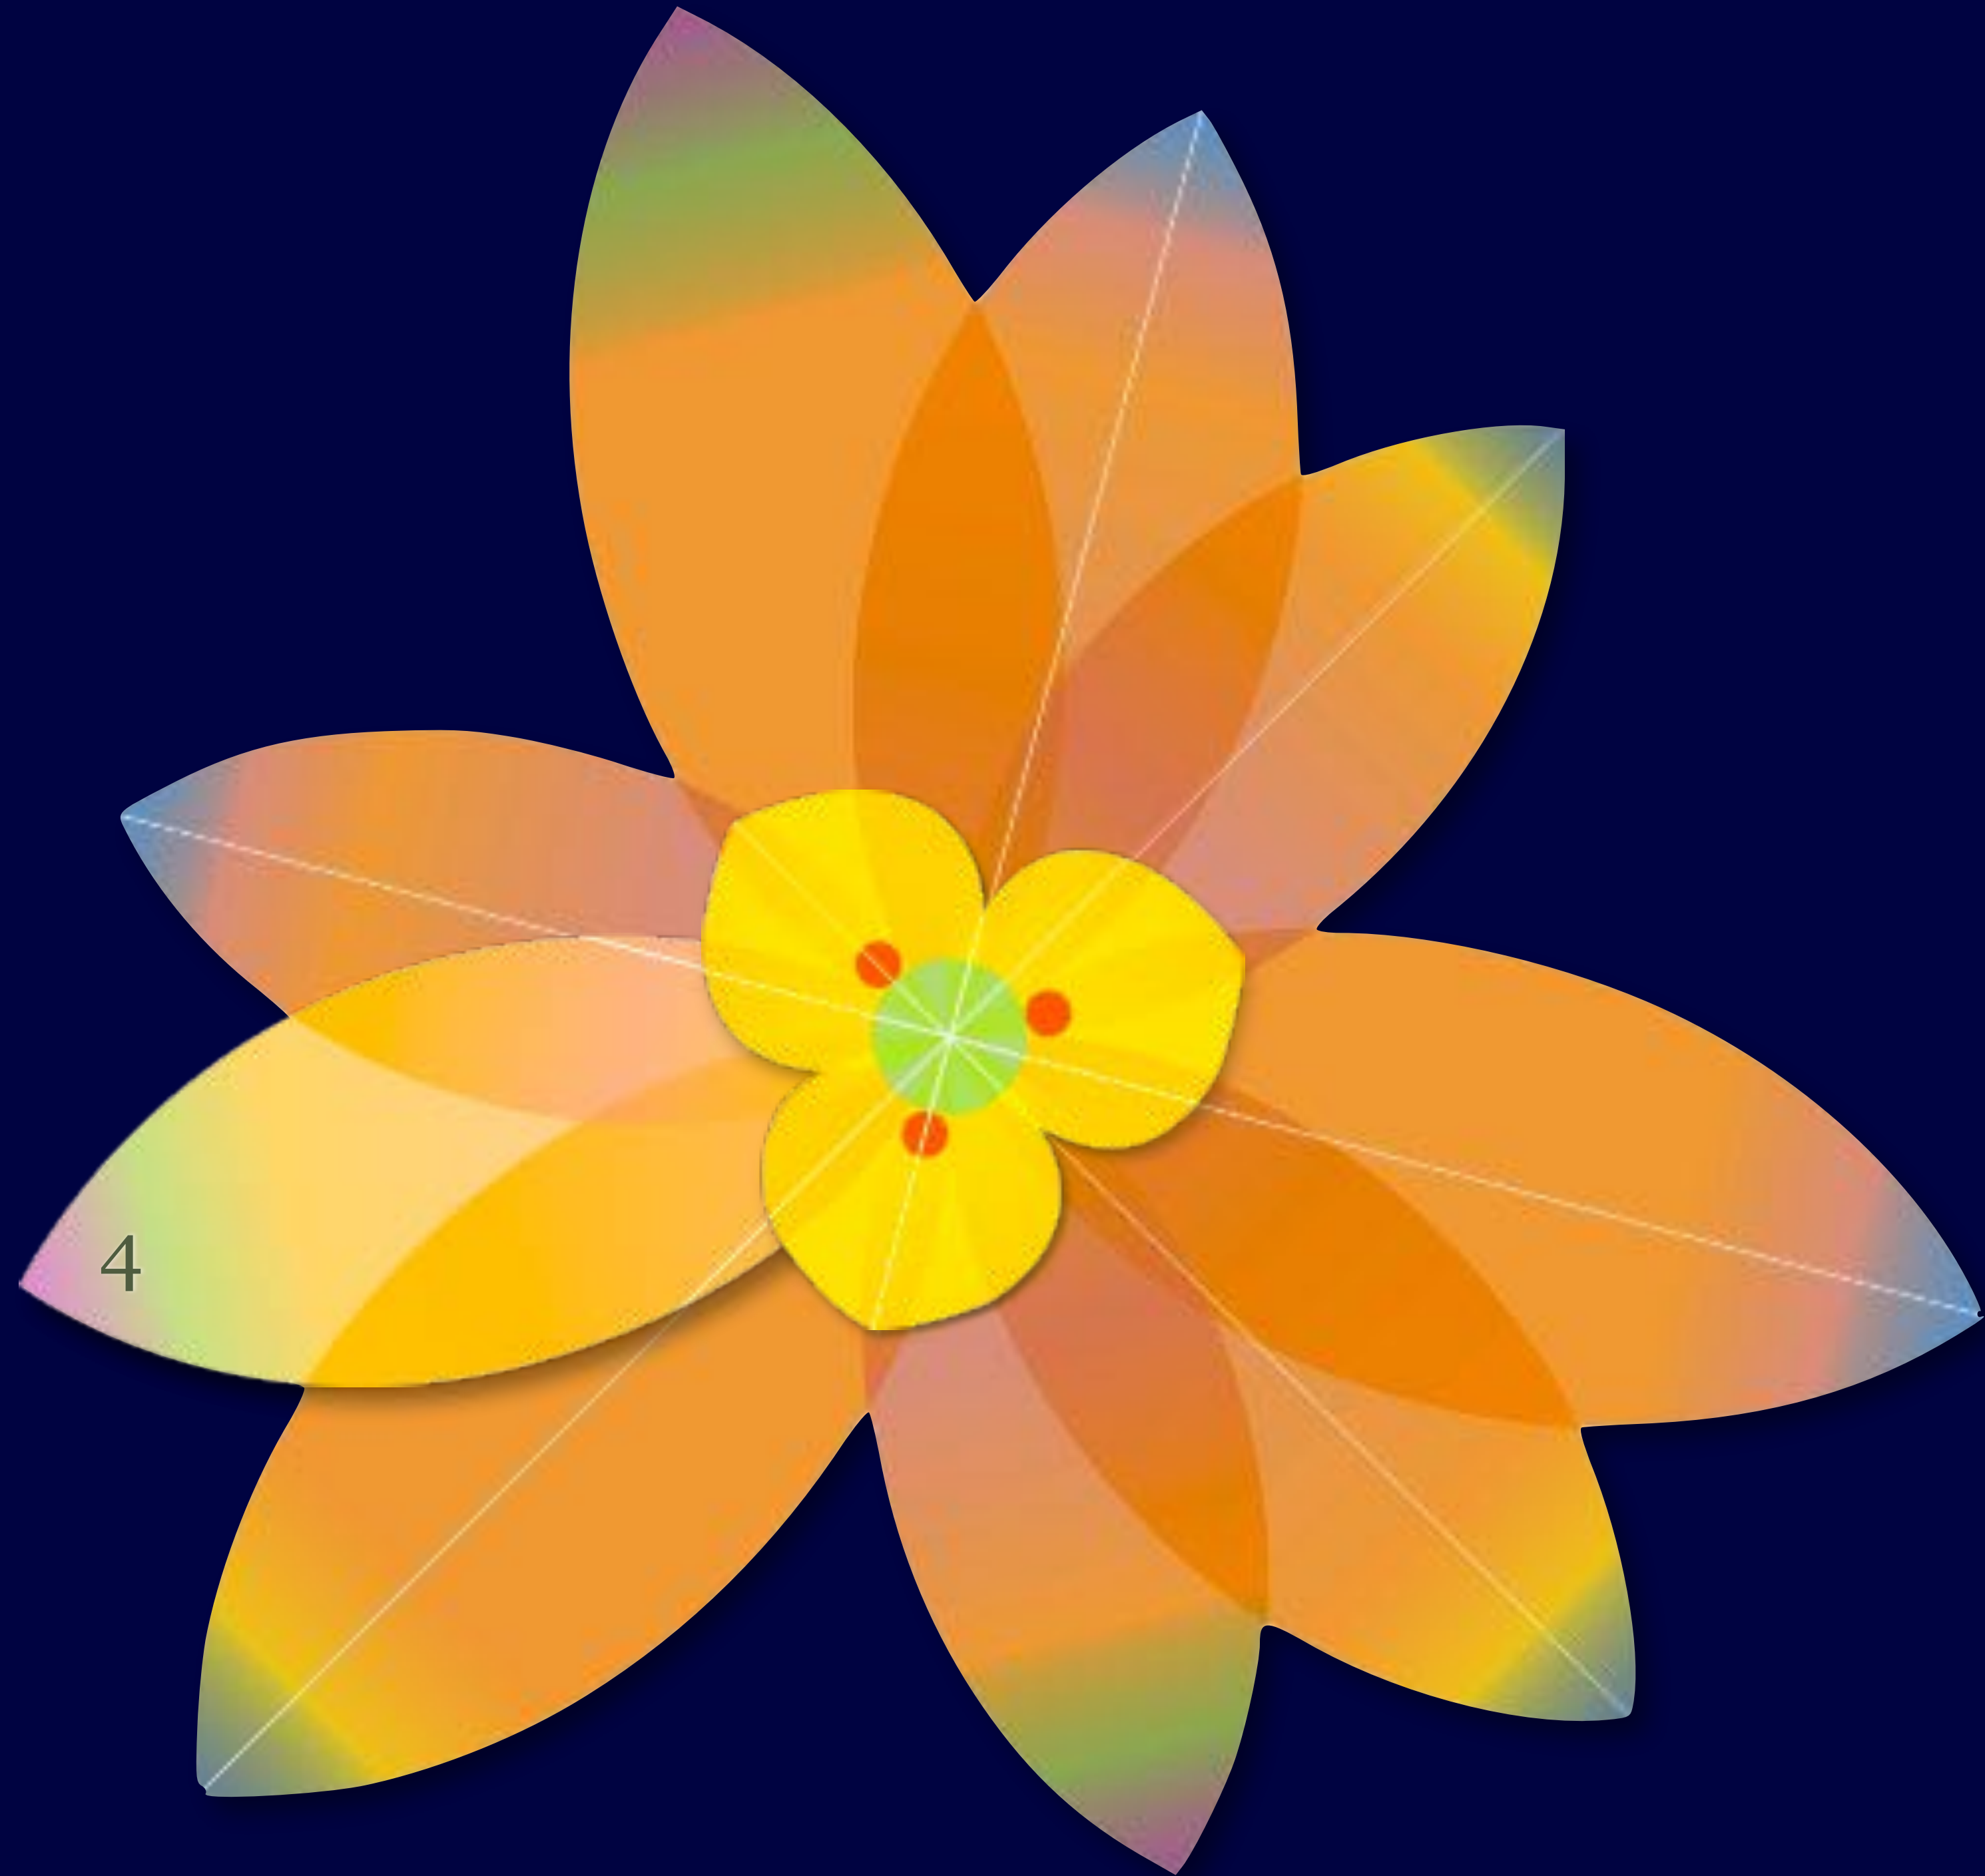

The Vishnu aspect, that in which the love-wisdom aspect gradually predominates and emerges through the medium of the Brahma aspect It covers the final two stages of the human personality life, and that period of egoic growth which embraces the final two Initiations:

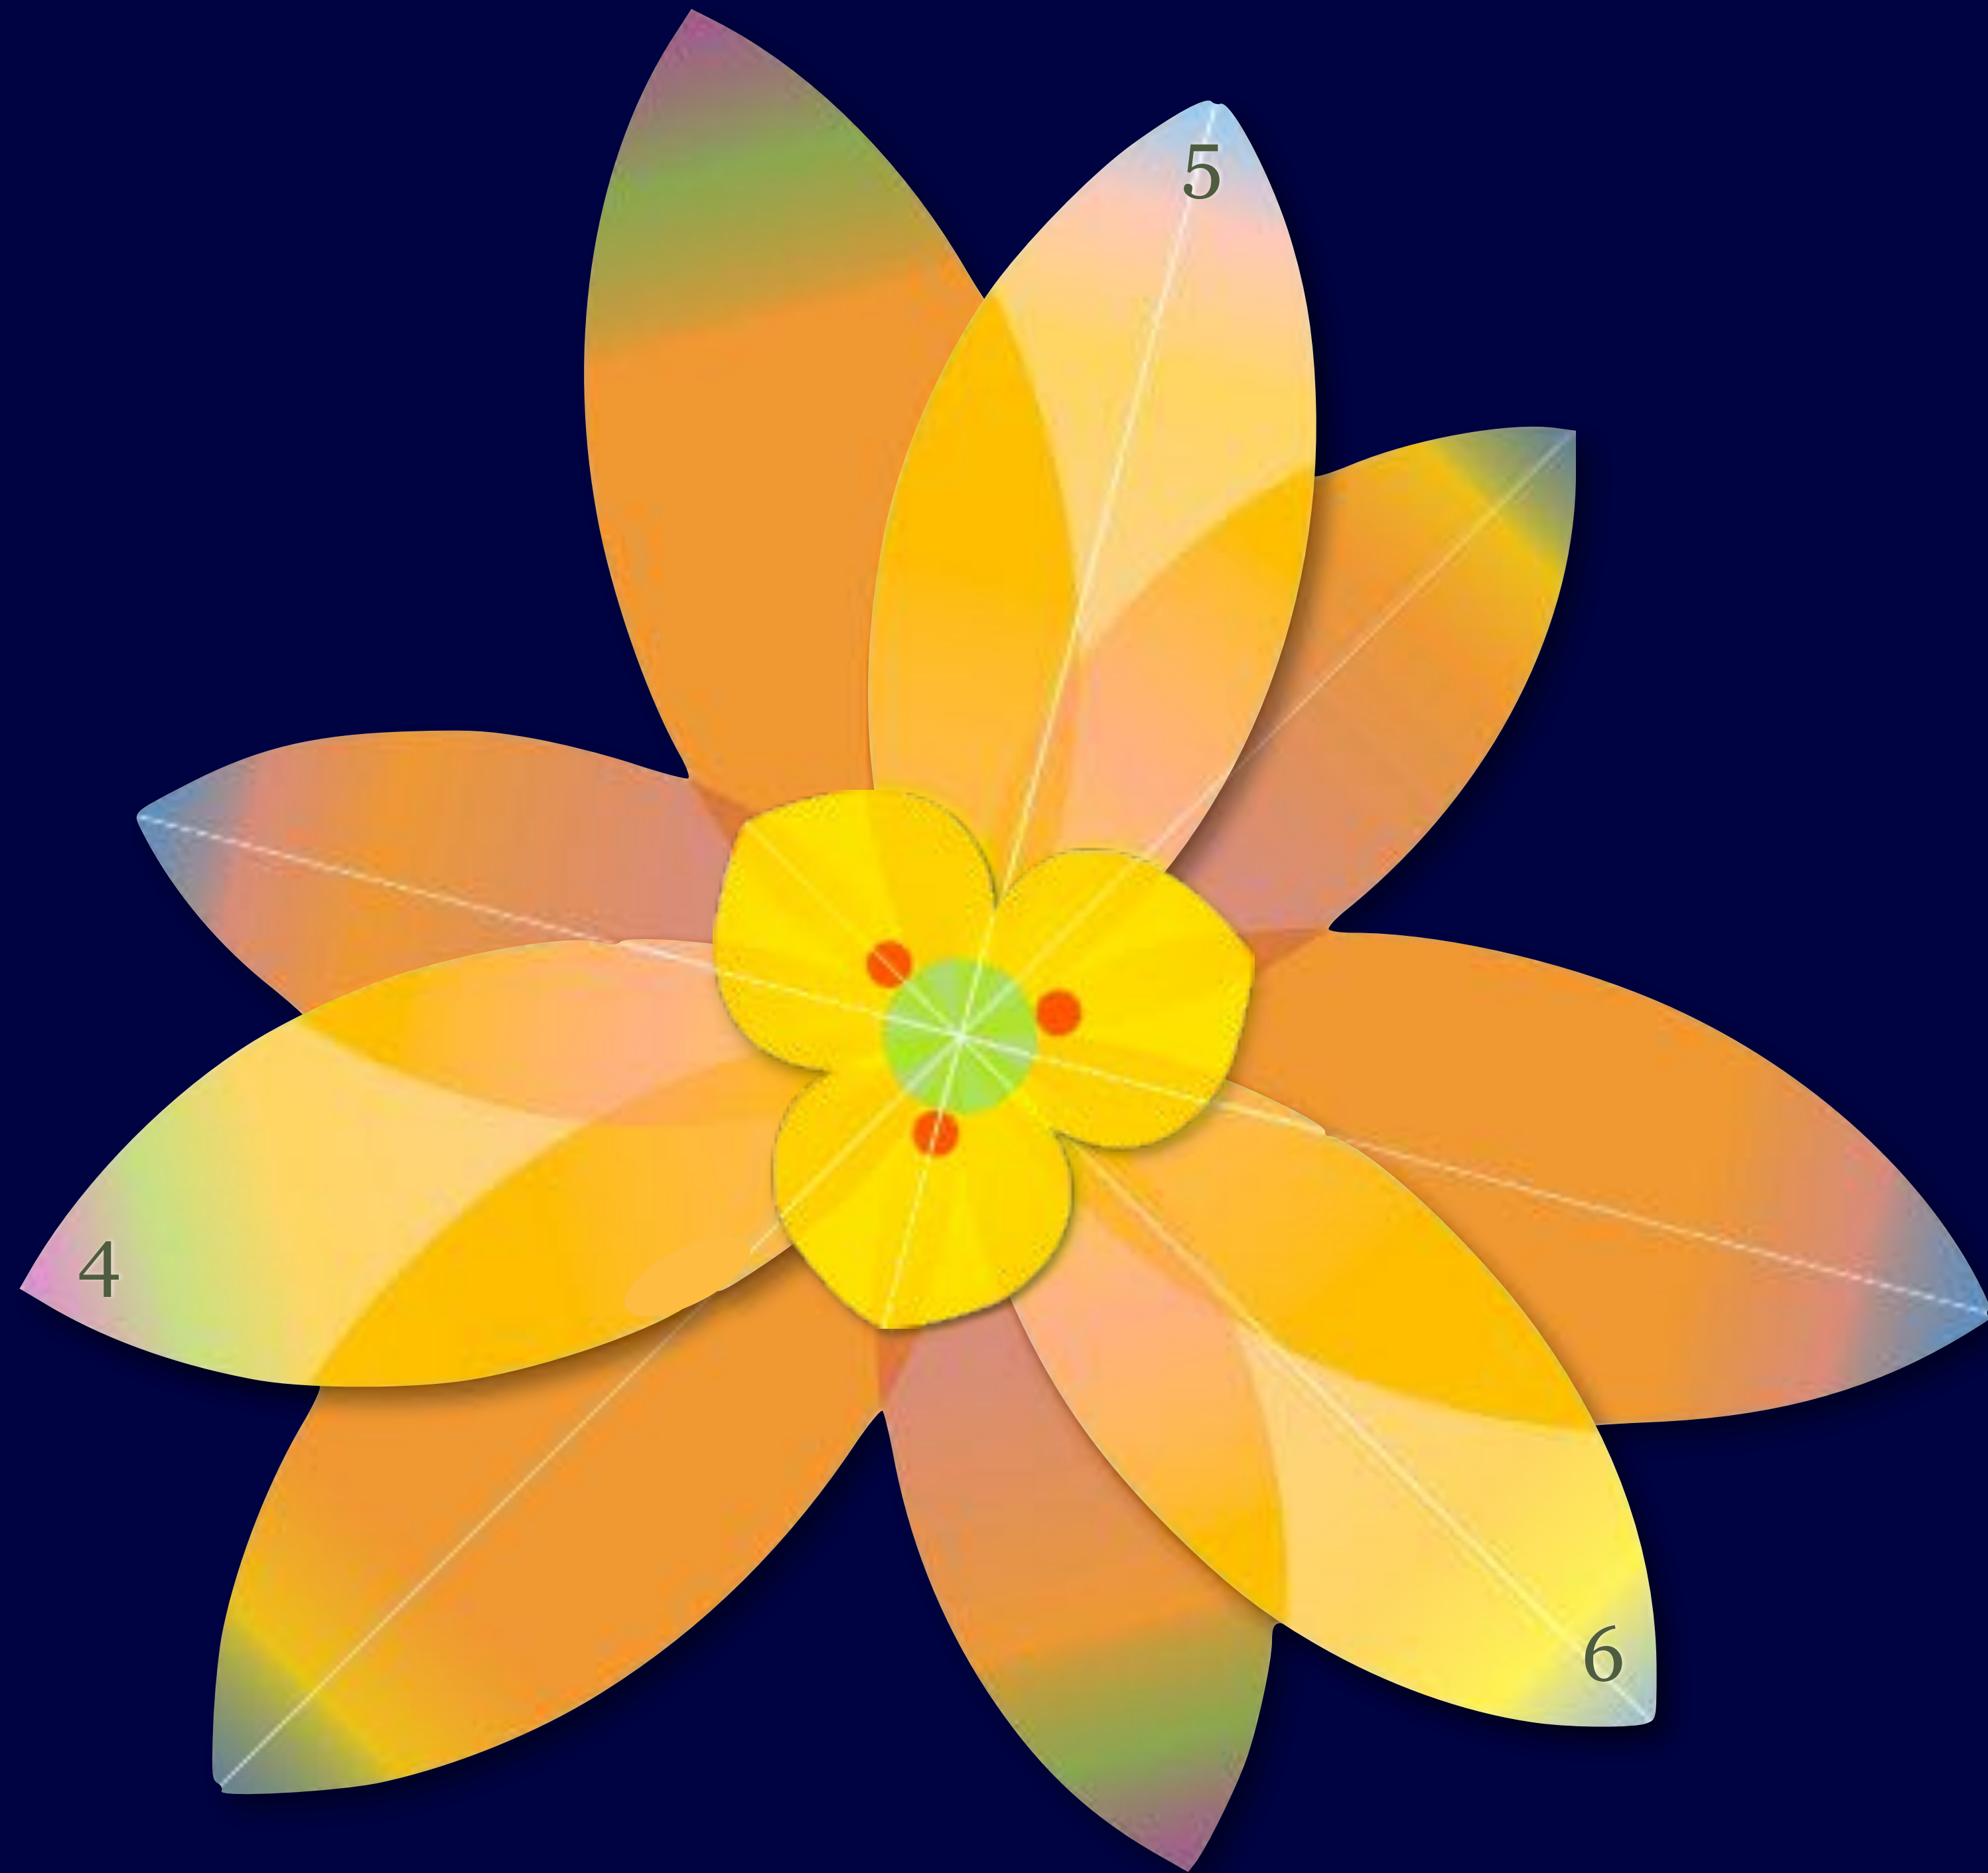

a. *First cycle.....The Path of Probation.* This correlates with the 5th and 6th petals– the love and sacrifice petals of the 2nd tier.

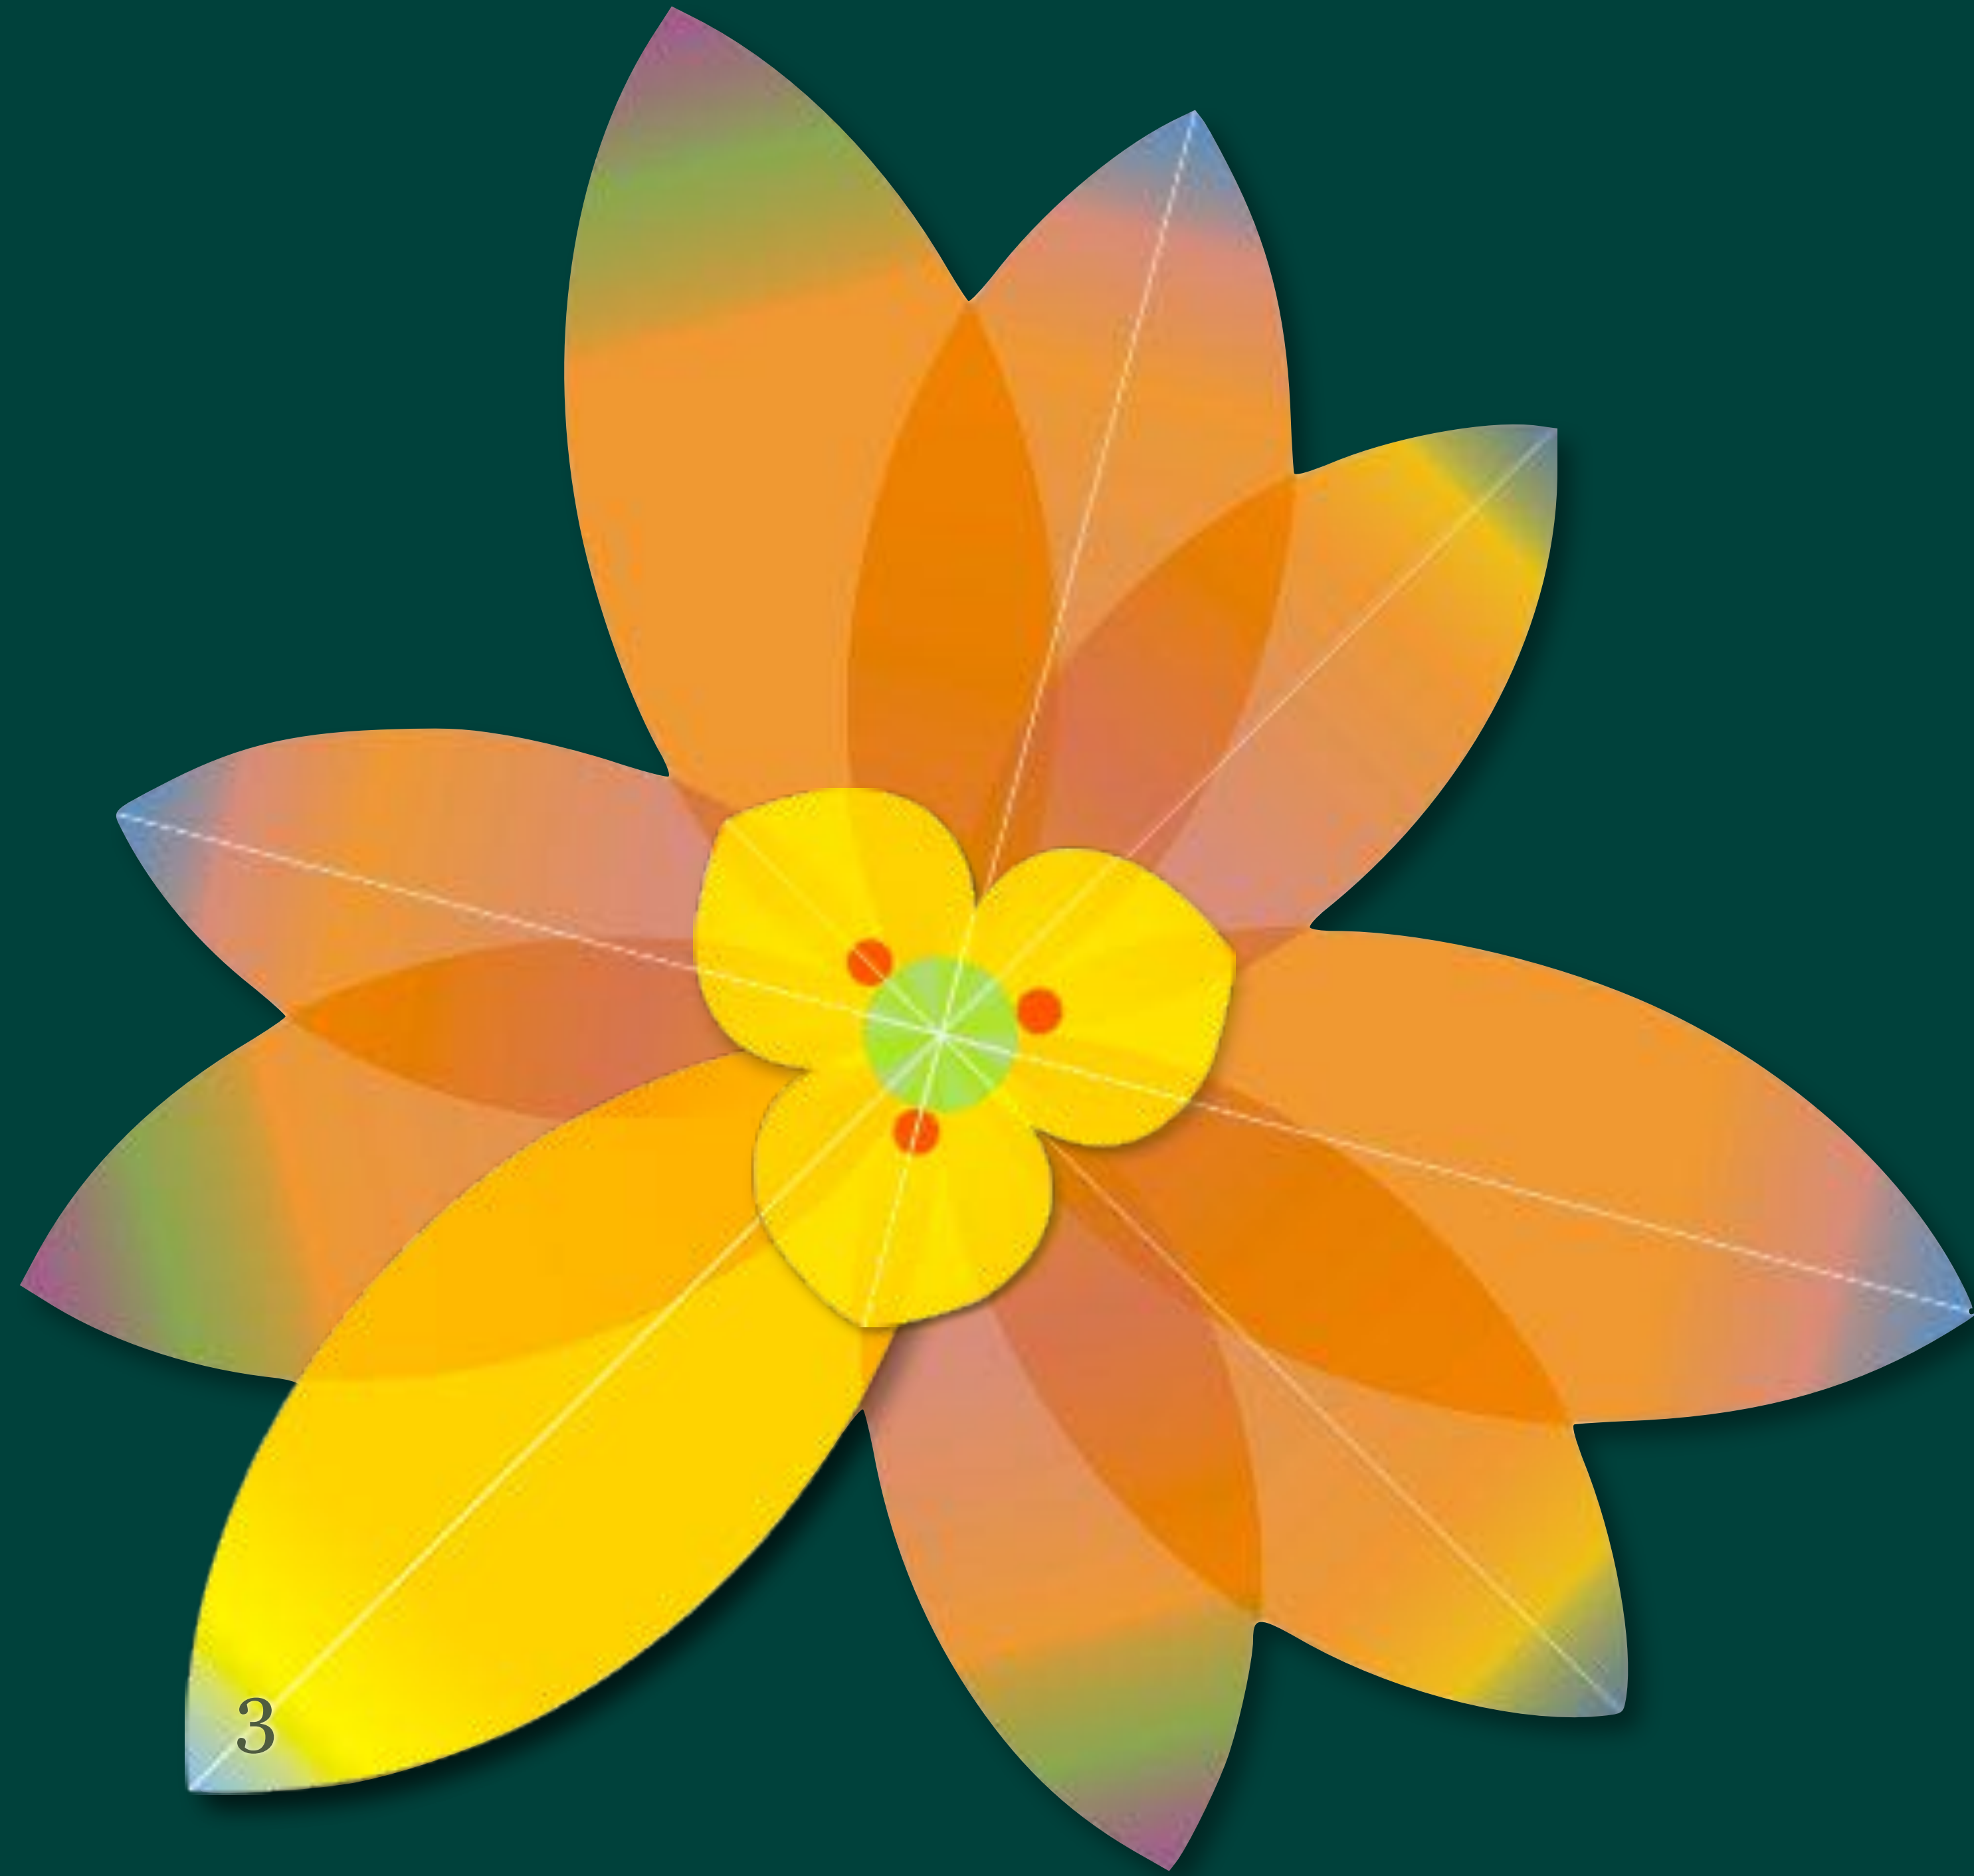

b. *Second cycle.....The Path of Initiation. (till the third Initiation)–* correlates with petals 7, 8, and 9– thus encompassing the sacrifice tier of petals.

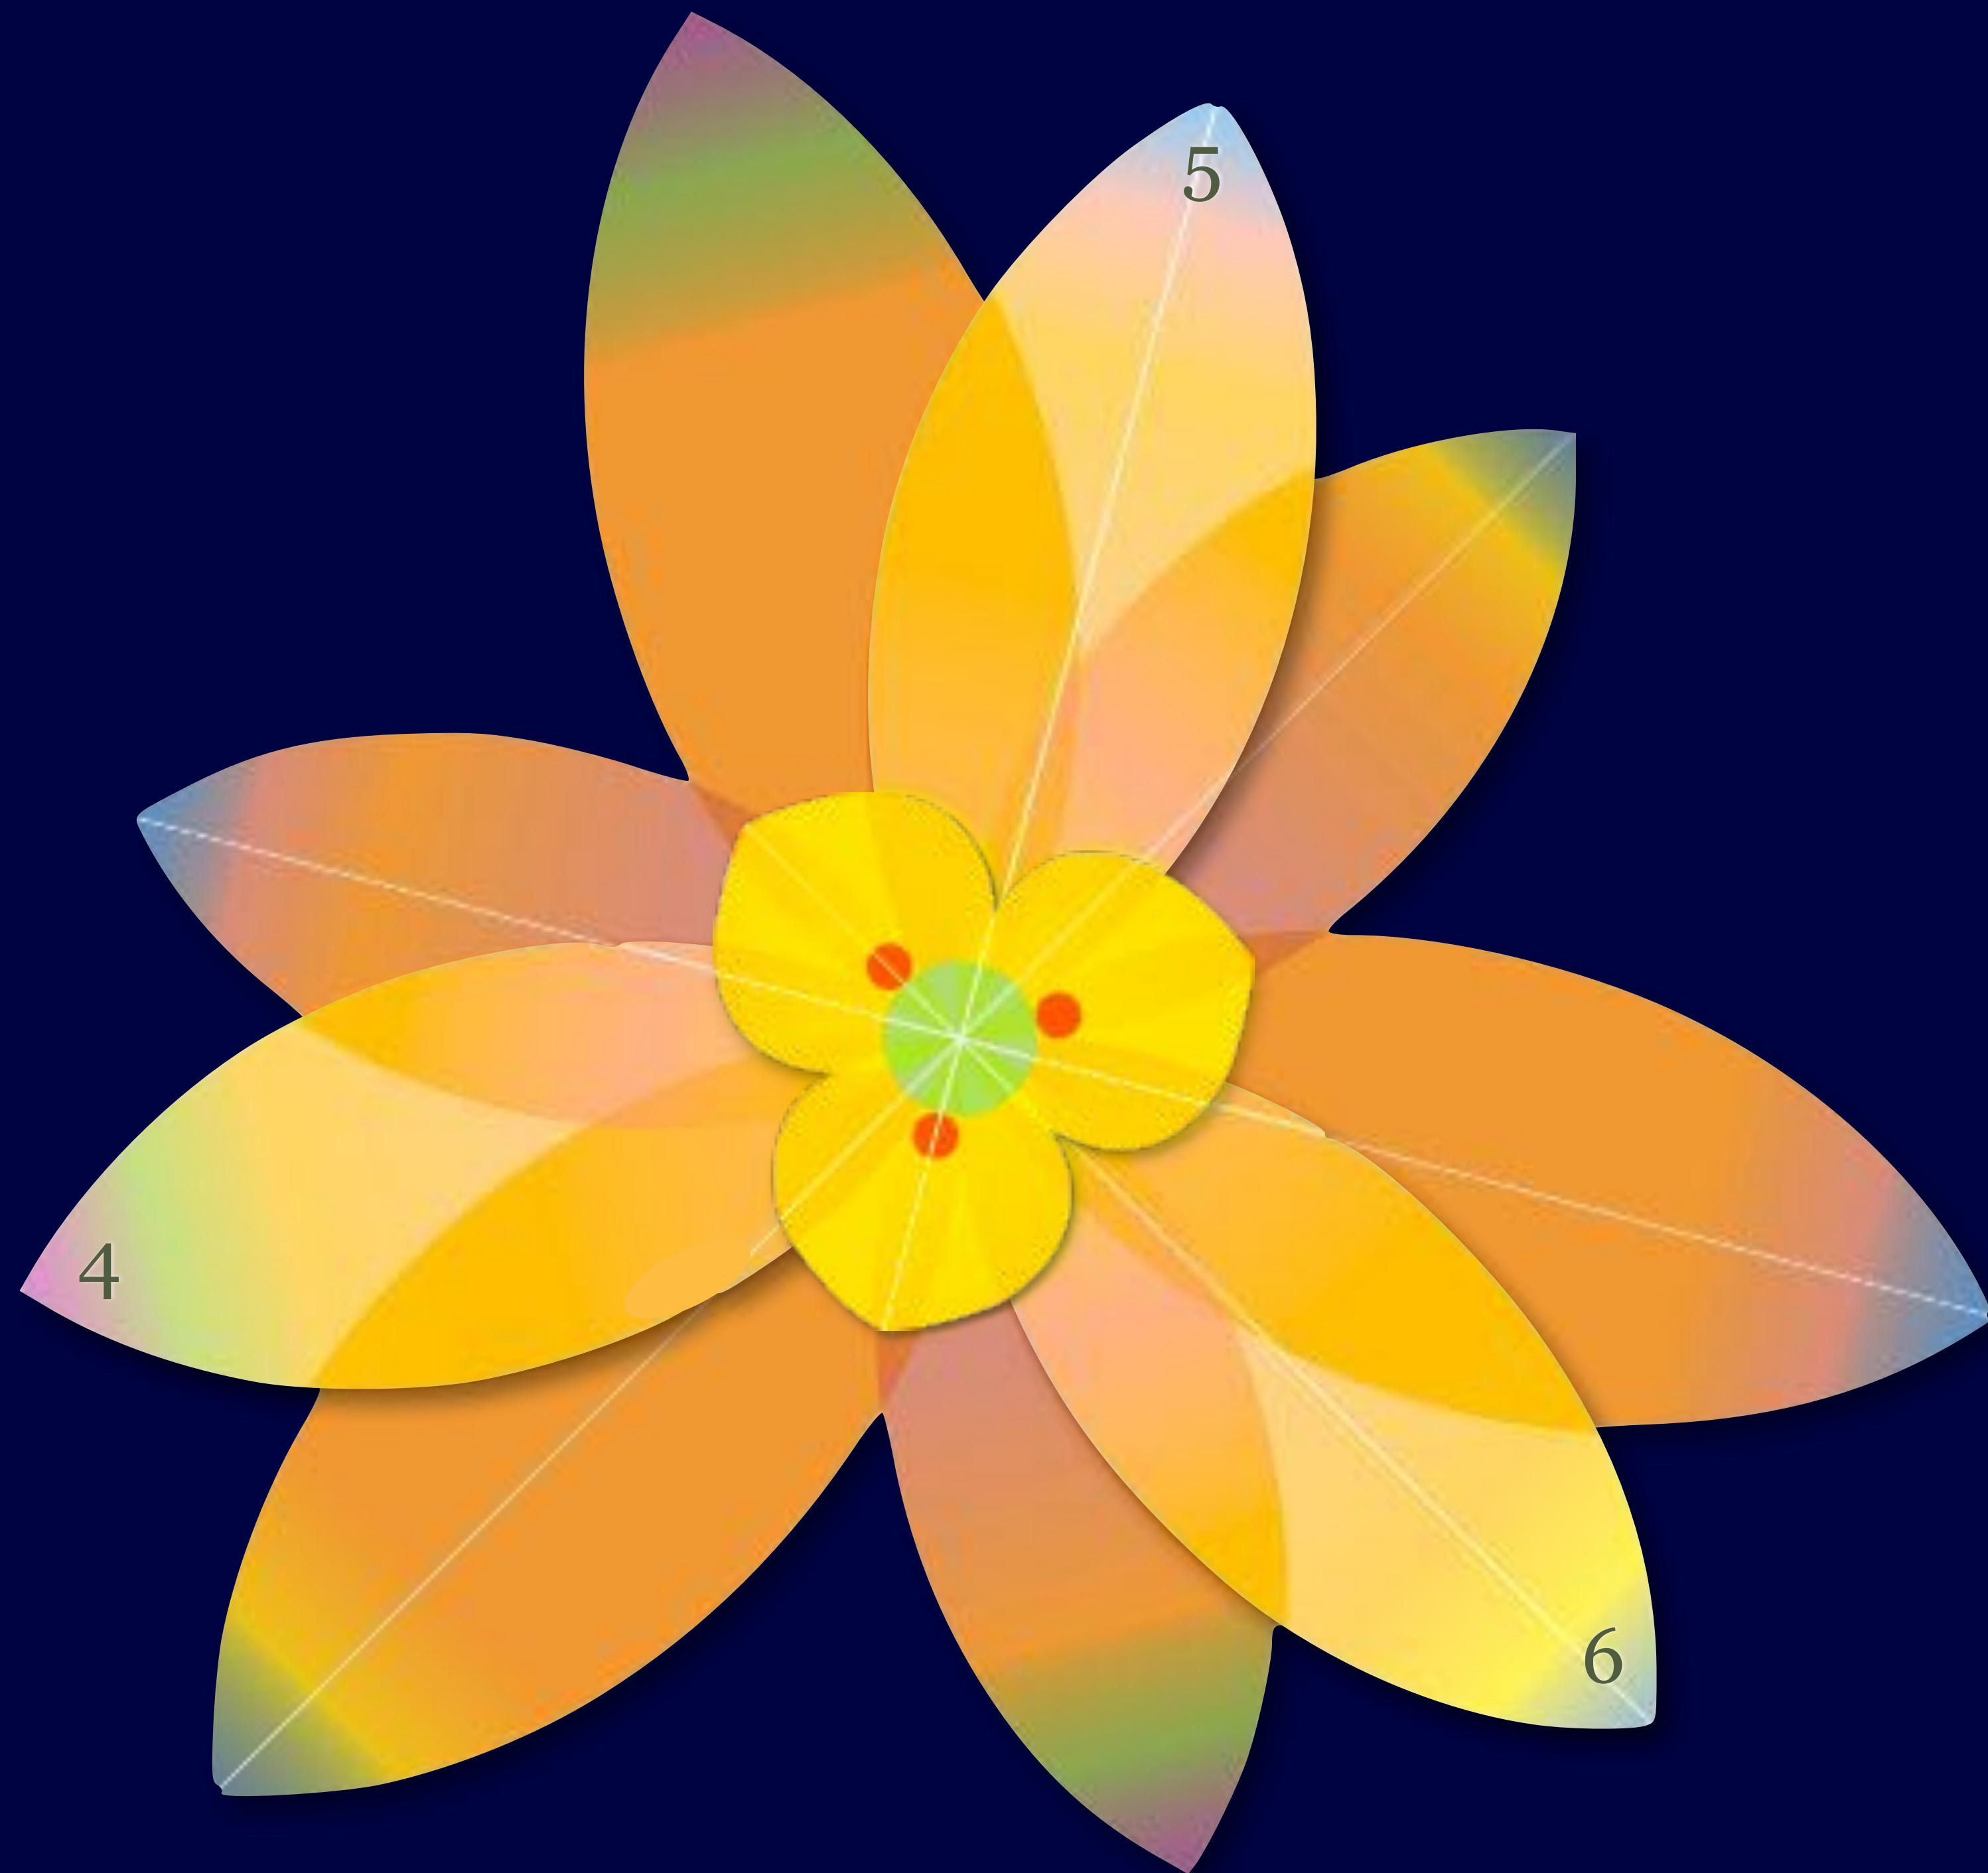

*Third cycle.....That covering the fourth and fifth Initiations.–*correlates with the opening of the three inner petals and the shattering and subsequent dissipation of the causal body.
